Online Education

1. Does all programs/courses were completed on time.	Yes
--	-----

2. Measures taken to complete the syllabus of courses and programs.		2. In line with announcement of state / national lockdown due to COVID -19 pandemic, University has closed face to face teaching learning on 14th March 2020, and then IT department had organized workshops / hands on practice to train our faculty / staff for online teaching learning. Simultaneously we have sent all students to their respective hometowns. As faculty members / staff are already acquainted with ICT, it was very quick for university to begin online teaching learning and evaluation. University has increased its internet bandwidth and taken necessary license of ZOOM, MS Teams and strengthen its own intranet portal AMIZONE. After commencing theory classes in month of March 2020 itself we have initiated some dry lab-based hand on practice / practical's which we have strengthen further and converted in virtual laboratories, again by using ICT. Detailed Netiquette guidelines were prepared for university stakeholders. Besides some teething exercise at students front, university has successfully organized teaching – learning – evaluation. Dean Academics of university has monitored the teaching learning in consultations with respective departmental heads. University IQAC has taken students feedback on online academics, and submitted its analysis / action taken report, which was quite satisfactory. The online academic experience was excellent for the faculty members, since we were acquainted with ICT, it was not very difficult to switch to online teaching learning. The work from home practice has provided opportunity to the research scholars and the faculty to adapt towards the digital mode for knowledge sharing. Members of the faculty utilized the lockdown period in promoting research in various ways, viz. submission of research proposals, writing and communication of research and review papers, literature reviews, data compilation and interpretation, writing patent applications, learning new software, exchange with peers, networking, fostering collaborations within and outside Amity world, organizing research webinars, working on fresh MOUs etc. Virtual labs/You tube Videos/ Simulations were used for practical oriented courses.	
3. The period of delay in completion of syllabus (in months).		0	
4. The period of delay in conducting exams (in months).		3
