

AMITY INSTITUTE OF MICROBIAL TECHNOLOGY (AIMT)

Program Structure of M.Sc. by Research (Microbiology)

Semester	Course Code	Course Title	Total Credit	
I	MMR 101	Instrumentation & Techniques in Microbiology	4	
	MMR 102	RDT & Genomics	4	
	MMR 111	Elective - I	Clinical Microbiology	4
	MMR 112		Agricultural Microbiology	
	MMR 113		Environmental Microbiology	
	MMR 114		Industrial Microbiology	
	MMR 115		Food & Beverage Microbiology	
	MMR 121	Synopsis Presentation	15	
II	MMR 201	Biostatistics	4	
	MMR 202	Research Work -I	20	
III	MMR 301	Research Manuscript Writing	2	
	MMR 302	Research Work - II	25	
IV	MMR 401	Research Work(Thesis)	25	
		Total Credit	103	

Research Work: Students will work in relevant laboratories and their work will be evaluating by expert committee (Including International / national Subject expert) on the assigned problem.
