RESEARCH METHOD & LEGAL WRITING

Course Code : ILM 101

Credit Units : 03

Course Objectives:-

Law is a social science. Therefore principles and methodologies generally applicable to social science research are applicable in legal research also with a difference. The difference is that decided cases of different courts, legislations and their background often become the main data for analysis. Lawyers or legal researchers often try to deduct social and political facts and situations from them. This may lead to unreliable results. Hence it becomes necessary to equip a legal researcher with techniques of legal as well as social research.

Module I : Understanding About Research Methods

Scientific method of research and its limitation in social science research, Theoretical Study and empirical study (Qualitative and quantitative research), Legal Research: Socio-legal, historical and comparative analysis methods. Case law analysis in legal research: Scientific or objective method (ratio and obiter), reading a case in social, political, economic and historical background

Module II: Methodology Of Research

Literature review, Theoretical context, Hypothesis, Research problem and Research questions, Empirical research methods: Sampling and Survey

Module III: Framing A Research Proposal

Planning a Research Project/proposal, Problem Identification, Objectives of the study, Formulation of Research Design, Research Process, Problems and limitations in framing research proposal.

Module IV: Ethics In Research And Report Writing

Ethical Conundrums: Plagiarism, Types of plagiarism, Consequences of Plagiarism, Fabrication, Informed Consent, Blind Hypothesis, Codes and policies for Research Ethics. Report Writing: Steps in report writing, Components of Research Report, Kinds of research report, Precautions for writing research report

Examination Scheme:

Components	CA	A	CT	EE
Weightage (%)	30	5	15	50

Anandam-I

Course Code: AND001

Credit Units: 02

Course Objective/s:

The Course aims to instil the joy of giving in young students, turning them into responsible citizens who will build a better society. Through daily action, it will build the habit of service in students. During the course period, students will be expected to engage in individual and group acts of service and goodness.

Course Contents:

Students are expected to:

- i. Do at least one act of individual service each day
- ii. Record the act of service in dedicated Register/Personal Diary (PD)
- iii. Share the register/ PD in the time slot dedicated by the college
- iv. Undertake one group service project for 64 hours every term (outside college hours)
- v. Upload report on the group project on the Anandam platform
- vi. Participate in sharing and presentation discussions scheduled by department.

Faculty Coordinator will review the students' Register/PD if they recorded an act of goodness for that day. It will not be evaluated but just checked whether recorded or not. In this way student will finish portfolio of giving.

Evaluation Scheme:

- Register/PD: Minimum 32 entries (40%) and maximum 80.
- Project Participation: 2 hours X 8 days (per month) X 4 months = 64 hours

Credits	Evaluation Matrix and Grading (Total 64 hours)
02	32 hours: Grade C
	>32 to <44: Grade B
	>44 to <= 54: Grade A
	>54 to <= 64: Grade O

Evaluation Criteria:

In order to be eligible for credits, the students are expected to complete a minimum of 32 entries (40%) per semester in their Register/PD. For being eligible to special awards, all the group members are expected to have completed a minimum of 48 entries (60%) per semester.

The students will get an option to submit their projects for an award and recognition at department, university and state-level after review by competent committees respectively.

LAWS ON SECURITIES AND FINANCIAL MARKETS

Course Code: ILM 104 CCL

Crédit Unit: 02
