AMITY SCHOOL OF ENGINEERING AND TECHNOLOGY

MUMBAI

ASET AND AIIT PLACEMENT REPORT

2019-2020

CORPORATE RESOURCE CENTRE

MUMBAI

OVERVIEW

We strive hard to achieve excellent placement for students. Our first batch is placed at various reputed industries. We at Amity University Mumbai have a dedicated Corporate Resource Centre (CRC) which brings industry and academia close to each other, thus strengthening the academic ecosystem of the university.

CRC organizes in-campus interviews for student placement and training, conducts corporate guests lectures and facilitates industry interaction. The placement of students in reputed organizations is a major focus of the university. At ASET and AIT, engineering curriculum is designed with industry-oriented aspects.

ASET and AIT also organizes industrial visits and interaction to maximize the reach and scope for students, thus bringing them closer to industry pioneers. This ensures maximum footfall of recruiting agencies and organizations during placement drive.

Corporate Resource Centre also supports in enhancing employability through regular interaction of students with industry stalwarts. Students of ASET and AIT have been trained and groomed at all levels to make impressive resume, better presentation, participate in group discussions and face interviews. Our alumni are placed in various renowned MNCs as well as organizations of national and international repute.

PLACEMENT HIGHLIGHT

In what heralds another record year in Amity School of Engineering & Technology with respect to campus placement for 2021 graduating batch, as many as 349 job offers have been generated till date for a total of 192 registered and eligible B.Tech & M.Tech students.

These jobs were offered by companies were:

Information Technology : 132

Core Companies : 48

Other Companies : 59

Well-known names of the corporate world rushed in as soon as the University opened the window for campus placement for its Amity School of Engineering & Technology in September 2015. Amity School of Engineering & Technology is the cluster of five departments imparting education in Civil Engineering, Computer Science Engineering, Electronics & Telecommunication Engineering, Information Technology & Mechanical & Automation Engineering. Department of Computer Science Engineering, which account for the highest number of registered students, already have more than 80% conversions in campus placement drives.

The placement season, which started with HCL, has attracted 239 companies within eight months since the campus was opened for the recruitment process. Other companies that visited Amity University campus are:

I. **TCS**
II. **HP**
III. **Amadeus Software Labs**
IV. **Amazon**
V. **Birla Soft**
VI. **Capgemini**
VII. **Cisco**
VIII. **Hexaware**
IX. **Zycus**
X. **NCR Cop**
XI. **Publicis**
XII. **Sepient**
XIII. **Shell**
XIV. **Tata Group**
XV. **Virtusa**
XVI. **Valvoline**
XVII. **GE**
XVIII. **VMware**

The Highest Package offered was INR. 24.50 Lac by CISCO to B.Tech ECE student.

The average salary package stands at INR. 6.37 Lac.

Forthcoming campus placements which are scheduled in the coming weeks will have Tech Mahindra, Thomson Digital & HCL Info systems. It is expected that more than 10 corporates shall visit AUM University before the end of the academic season and cent percent students will be having offers before they graduate in the month of July 2021.

There is a wave of joy amongst young graduates of the University not only because of job offers, but also because salary package offered this year is higher than previous years.

There was an encouraging participation by core companies like Vodafone, QA Infotech, XL Dynamics, Mphasis, Reliance Jio, Teradata, Zycus, Bridgestone India Limited etc. and hired in bulk.
