

## **Dr. ASEEM CHAUHAN**

### **President**

### **Brief Description**

Dr. Aseem Chauhan is the Additional President of the Ritnand Balved Education Foundation (RBEF). He is also the CEO of Amity Innovation Incubator, which has incubated over 300 technology entrepreneurial ventures and has been ranked as the Top Business Incubator in India by Business World and amongst the top 3 in India by Entrepreneur. He is also the CEO of Amity Capital Ventures.

Amity Education Group currently has over 175,000 students in 300 program at 150 institutions across 1,200 acres of hi-tech campuses with 12 million sq. ft. of built-up area. Having 50 campuses in India as well as campuses in London, Singapore, Dubai, Abu-Dhabi, New York, San Francisco, Netherlands, Mauritius, South Africa, Kenya and Tashkent, Amity University and Amity Institutions have consistently been ranked amongst the top in the country. More than 6,000 staff and faculty work in the Amity Group and credited with having completed 300 funded research projects and having filed over 1,200 patents.

Dr. Chauhan has extensive experience in venture capital and leveraged buyouts. He was formerly with AEA Investors, a multi-billion-dollar private equity firm in New York which invests funds for current and former Fortune 100 CEOs and wealthy families across the world. Prior to this he was at Philadelphia Ventures, providing early-stage venture capital to biotech and hi-tech start-ups. He has also been with the Mercer Management Consulting providing strategic advisory to leading companies in New York, London, Hong Kong and with JP Morgan in investment banking. Dr. Chauhan actively promotes entrepreneurship in India, particularly amongst youth and he is on the board of many companies.

A truly global citizen, Dr. Chauhan has spent nearly two decades in Europe and more than one decade in the US. He is constantly working towards the upliftment of society through his involvement in the Education Sector and Non-Profit Organizations.
