Equality, Diversity and Inclusion (EDI) policy

SECTION 1: BACKGROUND AND PURPOSE

Amity University Maharashtra is committed to promoting equality, inclusiveness, and diversity in the university. All the people are treated fairly and allow all people to participate in public life by removing all kinds of barriers. The university takes care that people should not feel disadvantages due to their personal characteristics or circumstances. This policy sets equality while taking decisions, providing services, supporting employees, recruitment, working with other organizations, vendors, and local people. AUM welcomes the diversity of all employees, residents, students, visitors, and other members working on the statutory bodies.

SECTION 2: Scope

The scope of the policy applicable to the employees, vendors, employees, consultants, suppliers, and contractors.

SECTION 3: Procedure

This policy of equality understands that everyone is different, and the needs of the people are required to be treated with fairness and ensure that we have a different background and identity. Through diversity, the university recognizes that everyone is unique, respects their identity, and background. University also celebrates the various functions based on the student's background and community. The inclusion at the university considers the perspectives and differences that are shared for better decisions. The university considers the value of each opinion, without considering the background, identity and circumstances. The university makes the workplace of diverse range of people to work together effectively.

The policy considers equality, diversity, inclusion factor in Age, Gender, gender reassignment, Disability, Race, Religion or belief, Sexual Orientation, Marriage, Civil Partnership, Refugee and asylum Seekers. The AUM's policy is aligned with the Indian Government Laws based on the gender, gender reassignment, sexual orientation, marriage, and civil partnership. The university also considers its point of views as per the rules, regulations, and laws of the country, and believes the equality, diversity, and inclusion in the university. It also includes the pregnancy and maternity leave benefits as per the existing policy of the AUM.

Training on the Ethical Values

Amity University Maharashtra provides training to the faculty, non-teaching, and students based on values such as diversity, honesty, respect, fairness.

Training for the Faculty

The regular sessions are organized in the form of faculty development programs to train them for ethical values. Dean Student Welfare in association with the Internal Quality Assurance Cell organizes the Faculty Development Programmes which covers the Gender Equality, rules, and laws for the Workplace Woman Harassment, understanding the needs of the students with special needs, and Community outreach activities.

Training for the non-teaching

The training sessions are also organized for the non-teaching staff to make them aware about ethical values so that, while interacting with the students, faculty members, parents, and visitors the due care is taken. The training to make them aware of the social contribution in terms of the kindness, courteousness and generosity are given.

Training for the Students

Behavioural Science courses in the curriculum of undergraduate and post graduate programmes at the University provide the training to the students. There is total 6 courses in the UG programs, one credit in one semester conducts 15 lectures, practical and activities based on the ethical values required to be adopted by the students to make them ready to be the part of good society. It is regularly iterated to the students to understand the diversity of the students around them and learn from the context. The students of various courses come together in one class to learn minor track offered from the other schools that give the positive exposure to the students to learn diversity.

To make the students aware of honesty, the strict rules are created to obtain their credits of each course through the correct ethical submissions. The end-semester examinations are conducted governing the rules and regulations to avoid cheating cases. The submission of the project reports, write-ups, submission are done with prior plagiarism checking tools such as Turnitin, Urkund or some similar tools.

Students are trained to respect the other students, faculty members coming from the different financial,
