## SDG 3: Good Health and Well-being

### Blood Donation Drive and Health Checkup

Amity University Mumbai came together for a life-saving cause - a Blood Donation Drive and Health Checkup in collaboration with Apollo Hospital. A huge thank you to all the students, faculty, and staff who stepped up to make a difference. Every drop counts.

## Poster-Making Competition in Pharmacy

Amity Institute of Pharmacy conducted an engaging Lab Beautification and Poster-Making Competition. Students showcased their creativity by designing posters on vital topics like Blood Composition, Titrimetric Methods, AI in Healthcare, Dosage Forms, and Limit Tests. These artistic visuals will soon be displayed in labs, adding both beauty and knowledge to the academic space. Congratulations to Ms. Archan Reddy's team for winning and Mr. Faizal Ansari's team for being the runners-up.

## Plantation Drive at the Herbal Garden

Amity Institute of Pharmacy conducted a successful plantation drive at the herbal garden to raise awareness among students about the importance of medicinal plants such as Bael, Gokarna, Parijatak, Curry Leaves, Ginger, Turmeric, and Aloe Vera. The event was graced by Hon. Vice Chancellor Prof. (Dr) A. W. Santosh Kumar, who inspired students to adopt and care for these plants throughout their academic journey. Participants were made aware of the critical role of these herbs in healthcare.
