Interactive session on "Social Entrepreneurship"

The webinar was organized by IIC and AIB to orient our students and participants about how a social issue allows social entrepreneur to develop innovative solutions that affect society in a positive manner. There is a significant requirement for developing social sensitivity among ourselves for making positive changes around us. The esteemed speaker Prof. Meena Galliara gave a wonderful talk covering many example of social entrepreneurship in issues faced in our everyday life. The speaker also talked about fellowships, fundings, organizations etc. which are supporting young innovators in social entrepreneurship. The speaker emphasized that social enterprises helps in sustainable development of any society by meeting the needs of its vulnerable groups. The young social entrepreneur Ms. Jyotika Bhatia covered her decade long journey with her social enterprise "Srujna" in her talk. She briefed about her yearwise experiences, opportunities, failures, learnings etc. which gave our participants the glimpses of stage wise development of her enterprise.
