On-Campus Accommodation for The People with Disabilities

We have a reasonable accommodation strategy for people with disabilities, including adequate funding.

Amity University Maharashtra Offers the On-Campus Accommodation to the people with disabilities either the employees or the students. The person with disabilities is provided with facilities such as elevator, ramp, wheelchairs, and the western toilets for

the better ease of access in the daily routine. Once the accommodations are provided to the person with disabilities, the rules and regulations of the universities are applicable. The university has invested on the on-campus wheelchair, elevators, ramp, battery vehicles, medical facility, clinic, and counselling cell. The adequate funds are made available for the additional resources to be provided during the emergency. Similarly, additional resources are provided for the dynamic rise in the student numbers, and the employees at the university. There is also a adequate provisions are done for the maintenance of all these services and resources. The prior approvals are required to be taken from the Hon. Vice Chancellor and the Management of the University to provide such a resource to the person with disabilities.

Accommodation to the Employees

The employees appointed full-time can get the accommodation in the campus on the request basis. The charges are applicable as per the rules and regulation of the Amity University Maharashtra. The HR Department takes care of the employees request for the on-campus accommodation. As per the rules and regulations of the University, the charges of the accommodation are applicable.

Accommodation to the Students

For Girls and Boys can avail the Hostel accommodation on the request basis. Priority is given to the students who are having the physical disabilities. The Hostel Director Takes care of the availability of such an accommodation to the students with disabilities. The Hostel Director tries his best to provide the accommodation at the ground floor for the easiness to the person for his daily activities. The on-campus battery vehicles are available for the moment of the person with disabilities from one building to other. The well-furnished accommodation is provided with the charges applicable as per the rules and regulations of the University.

Short-term accommodation for the Visitor

The university administration takes care of the visitors having physical disabilities. The special care has been taken on the day-to-day basis for the moment in the campus. The visitors coming for the short-term agenda like for Conference, or admission enquiry, are also provided the accommodation on the prior approval basis.
