Emotional Immunity Webinar 21st April 2022

organized by Amity Institute of Behavioural and Allied Sciences (AIBAS) and Dean Students Welfare (DSW),

Amity University Maharashtra

General Information:

Date of Event: 21st April 2022, Time- 11.15 am-1.15 pm

Venue: Auditorium, Amity University Mumbai.

Organized by: Amity Institute of Behavioural and Allied Sciences (AIBAS) and Dean Students Welfare (DSW), Amity University Maharashtra

Total Participation: 500 students + 15 faculty (AIBAS) + 1 guest speaker

Moderator (s): Dr. Gautam Gawali (Prof & Dir AIBAS & DSW)

Event Coordinator (s): Mr. Mahimna Vyas, Dr. N. Tawfeeq Alee

Details of Expert/Speaker/Resource Person/Judge:

- Country Name : India
- Hon'ble Speaker : Dr. Vipul Vyas
- Organisation : The Mind Academy
- Designation : Director
- Specialisation : PhD in Emotional Intelligence.

Point wise Outcome Report:

- 1) Emotional Intelligence is playing a major role in the professional as well as personal life of everyone. Emotional Quotient has become as important as Intelligence Quotient to be successful in academic as well as profession. Students can benefit immensely from such seminar that helps them in achieving a greater control over their EQ. It will help them in inter-personal relationship, successful job interviews and better performance in internships or career.
- 2) Dr Vipul Vyas has a Ph.D. in Emotional Intelligence and is the Director of The Mind Academy, Mumbai and has 24 years of academic and 16 years of Corporate HR Facilitation Experience. He has delivered talk as well as conducted workshop and seminar in reputed government institutes as well as huge multinational corporates like RBI, ISRO, TATA, CAG, AMUL, DRDO, Indian Oil, L&T, HAL, Kotak Life, Godrej, Glenmark, Zydus Takeda, Adani, Godavari Refinery, Pfizer, Raymond, various Management Associations, etc.
- 3) Dr. Vyas is also associated with 20 Universities from 10 states and with 16 educational institutes of high repute, to train about 3500+ Senior and young professors, principals, deans, HODs, and trustees on – “How to apply Emotional and Spiritual Intelligence in the teaching-learning process?” All teachers and students of this university has benefited immensely from him. He has delivered training to 5000+ CXOs, professionals, business persons, HR trainers from PSU, semi-government, private sector, and to anti-terrorism commandos & IPS Officers at various cities like Mumbai, Delhi, Kolkata, Bengaluru, Jabalpur, Ahmedabad, Cochin, Pune, Raipur, Chennai, Jaipur, Vadodara, Thiruvananthpuram, Indore, Surat, Thane, Bharuch, Hyderabad, etc. This contribution was felt as a good criteria to invite him for the seminar with benefits to our students keeping in mind.
- 4) One of the organizer had interacted with the resource person earlier about some research. Hence, the guest was decided in advance.
- 5) The seminar was organized at the auditorium and was attended by more than 500* participants including faculties and students of AIBAS and other schools of Amity

University Mumbai.

6) His topic for the seminar was ‘Emotional Immunity’. The Following points are the highlights of the seminar.

- He started the seminar with a commemoration of all the frontline workers, police officers and media personnel who worked selflessly during Covid-19.
- After the remembrance, he conducted an activity on the identification of emotions and different intensities of emotions and talked about the emotional vulnerability of young adults and adolescents by sharing Aryaman Birla’s story, the importance and necessity of emotional intelligence in personal and professional domains, benefits of greater EQ, and the emotional intelligence model by Daniel Goleman.
- The pre-training survey findings were discussed, and Dr Vyas highlighted the master key to all problems - identifying and managing one’s response to situations. The master key was further explained with videos, real-life stories, and an activity. -He further emphasized the significance of conscious living for improving EQ and some tips to follow a conscious lifestyle.
- He concluded the seminar with a homework assignment for the participants, followed by National Anthem in sign language.

7) The seminar tutored faculties as well as students and researchers of Amity on the importance of ability to read a current situation, scenario, body language, facial and emotional expression and appropriate response to maximize gain as well as achieve objectives. They learned how to have an effective and a fruitful relationship with colleagues, classmates, personal relations as well as professional relations.

8) As the subject was about emotional intelligence, which is an important concept in psychology. Based on the student’s reception and taking in consideration the compensation that would be offered to the resource person, department could organize a longitudinal workshop addressing functional and practical aspects of emotional intelligence and how to use it in their day to day college lives.

9) The resource person expressed willingness to conduct more seminars and training in

Future. He was interested in contributing to workshops and conferences related to his expertise.

10). Plans are at preliminary stage to collaborate with the resource person and delivering workshop for final year students to maximize industry placements. Workshops designed to help our graduating students get selected for competitive position in national and multinational companies .

Point wise outcome report:

- 1) **What was the Inspiration behind these events?** – Mental Health Awareness Week was established in 1990 recognition of efforts to educate and increase awareness about mental illness. The overall objective of World Mental Health Week is to raise awareness of mental health issues and to help mobilize efforts in support of mental health on an individual level. This week provided an opportunity for all stakeholders working on mental health issues to talk about their work, and what more needs to be done to make mental health care a reality for people worldwide. These events also allow individuals who are not from a psychology background, to gain novel insights regarding various “Health Behaviours” that facilitate mental health.
- 2) **Who was the Distinguished Guest Speakers Invited for the Event? Kindly give their Names.Designations, Organisation, Qualifications, Area of Expertise and any Honours and Awards received by them:** Only one event – Stress management seminar required guest speaker. The speaker invited was Ms. Sandra Francis. Ms. Francis is a Psychologist &

Therapist who has been working in the field for more than a decade.

- 3) **What was the Criteria Considered for inviting the Various Individual experts, Internal as well as External?** Based On their Expertise as well as Knowledge.
- 4) **Were the guests invited in advance and if yes, from what previous interaction? Were the guests recommended by someone? If yes, who?** Yes, the experts were invited in advance. They were recommended By Professor (Dr.) Gautam Gawali, DSW and Director, AIBAS, AUM.
- 5) **Who all attended the Seminar and other activities?** Non-Teaching staff and Office Assistants from various schools, along with the Exam Department attended the stress management seminar. Other activities were open to all students and faculties, who took great interest in participating in these activities.
- 6) **What were the 'Take Homes' for the Guests and the Attendees in the form of knowledge, facts, information etc.?** Participants learned about the daily stressors in their life and work. They also discovered various techniques to cope with these stresses. In other events, the participants realized the importance of mental health and various factors affecting it, effects of diagnosis etc.
- 7) **Have the activities generated tangible gains?** Yes, the celebration of mental health awareness week has seen numerous benefits. It has provided a better understanding of how mental illness can affect a person's life, helped to reduce the stigma of mental illness, it has given confidence when helping those who are suffering in the capacity of a friend or as a budding mental health professional. Overall, these activities also helped all the participants to recognize early signs and risks of mental illness and what steps to take to prevent the onset of these diseases or how to seek help once they are diagnosed.
