GOAL 7: Affordable and Clean Energy

GOAL 7: Affordable and Clean Energy

As a Power Purchaser, Amity University Maharashtra has signed the Power Purchase Agreement (PPA) with Clean Max Enviro Energy Solutions Private Limited as the power producer dated 6th April 2018. The agreement is for Design, Manufacture, Supply, Erection, Testing, and Commissioning, including warranty, operation & maintenance of Grid Connected Roof-top Solar Photovoltaic and Small Solar Power Plants in Resco Mode.

GOAL 7: Affordable and Clean Energy

Battery Operated Cars

Battery Operated Cars are available at the AUM premises to facilitate the in-Campus Work, such as passengers' commute.

GOAL 7: Affordable and Clean Energy

Photos of Solar Pallet

The university's vision is to generate energy from renewable sources and minimize the electricity from the conventional electrical grid. Therefore, the renewable energy utilization facility, i.e., solar pallets, are installed at the rooftop of the University buildings. The surplus energy generated is sent to the electrical grid.

GOAL 7: Affordable and Clean Energy
