

NRDC-AMITY INNOVATION
FACILITATION CENTRE

1. Title, place (town, country) and date of the workshop

1. One Day Workshop on “Innovation and Intellectual Property Rights (IPR)” held on Friday October 11th, 2019 **Venue:** A1 Block Auditorium, Amity University, Mumbai - Pune Expressway, Bhatan, Post – Somathne, Panvel, Mumbai, Maharashtra 410206

2. About the Workshop

This Workshop on innovation and IPR is the second initiative under the GAIL and NRDC IFC scheme. The IFC scheme of GAIL and NRDC has specific stated objectives though, the scheme has larger scope and it is still evolving. It is expected that during the operation of scheme and through workshops like this, innovative ideas will be generated. There will be a continuous process of consultation with all stakeholders in the country though IFC platform and the outcome and recommendations of such consultative process will be shared with GAIL and NRDC from time to time to provide much needed boost to ‘innovation’ process and practices in the country. There will be many such workshops on IPR on specialized topics, meeting the expectations of captive audience in the business capital of India. The initiative this time was extended to the industry wherein extensive participation took place from the industry and academics. Further an **Amity Industry IPR cell was setup which would provide assistance on IPR to the neighboring small scale industries.**

3. Objectives

The Objectives of the Workshop, being the second initiative under GAIL and NRDC-IFC, will be to enhance awareness about Intellectual Property Rights (IPRs) to take measures for protecting their ideas and business strategies for academia and industry. Effective utilization of IPR tools would also assist them in technology up gradation and enhancing competitiveness. While familiarizing the faculty and staff of Amity University, Industry and Other academic staff as a captive audience,

The workshop is expected to help:

- i. Understanding key aspects on the Intellectual Property Rights
- ii. Learning how to protect one’s ideas and Innovations

- iii. Having an insight on managing Patents and other IP wealth
- iv. Understanding patent procedure, from filing to grant patents, in India.

4. **Speakers and Topics**

1. **Guest of Honour**, Dr. Dinesh P. Patil , Dy. Controller of Patents & Designs, Govt. of India.
2. **Chief Guest** Dr. Vishal Warke, Director R&D , Hi-Media Laboratories, Mumbai
3. **Dr. Samir Kulkarni**, Director Innovation, Incubation and Linkages, Director National Centre for Nanoscience and Nanotechnology Mumbai

Topic: Relevance of Patenting in Biopharmaceutical Development.

4. **Prof. Mrudula Bele**, NDMVPS Pharmacy College Nashik
(CD Deshmukh award winner for her book in IPR)

Topic: Intellectual Property Rights/ Patents

5. **Dr. Shivanand Teli**, Head, IPR, Bharti Vidyapeeth Navi Mumbai

Topic: Patent Process in technology with hands on experience and case study discussion

Associated with Amity Science Technology & Innovation Foundation (ASTIF) Amity Directorate of Science & Innovation (ADSI) and taking care of Amity Patent filings, prosecution and IP Management and Copyright, she coordinates the major Activities being undertaken by the NRDC-Amity Innovation Facilitation Centre. She will be talking on Capturing Innovations in University setups- Best practices in this workshop.

Summary of the talk by each speaker

Prof. (Dr.) Shyamalendu Niyogi started the session with an introduction of Amity University. He talked about the vision, mission and dynamic leadership of Founder President Sir, C5 Sir and President C6 Sir in making Amity University one of the most highly reputed institutes nationally and internationally. He gave some examples about the leadership and motivation of these dynamic leaders towards taking the Amity Institutions to the top as innovative, creative and research driven institutions. He spoke about the importance and benefits of IPR and gave brief introduction to Patents and other laws relating to IPR. He shared his experiences of working with various organizations. He also congratulated Amity University Mumbai, its management, faculty members and students for organizing this seminar and encouraged speakers.

Dr. Dinesh Patil started with basic concept of IPR and discussed various types of IPR. He gave an in-depth knowledge of Patents, Designs and Trademarks and the legal framework related to these like The Patents Act 1970, the Trademark Act, 1999 and the Copyright Act ,1957. He also discussed the concepts like industrial designs and geographical indications. He then discussed about the difference between industrial IPR and copyrights along with shift from agricultural economy to industrial economy to knowledge-based economy.

Dr. Vishal. G. Warke spoke about innovation, IPR and dynamism in terms of patents. He also spoke about the potential problems that India is facing because of IPR infringement. Dr. Vishal shared the story of Hi-media, which was founded by his father, his mother and his uncle as a response to the need of scientists. Hi media received the Rajiv Gandhi National Quality Award in 2006 and 2011, the only company to receive the award twice. He also discussed about the struggles of a technocrat venture. He emphasised that whatever business a person does, it should leave legacy and advised the students that whatever business they do it should be ecologically sustainable. He stated that India needs to develop an effective innovative ecosystem and global competitiveness and absorb and adapt to technological innovations from abroad in order to prosper more and more.

Prof. Mrudula Bele spoke about the basic features of IPR and what kind of Intellectual Property needs to be protected. She then moved on to discuss that why it is important for an inventor to patent and discussed the advantages of patent. She also discussed various concepts like invention, novelty and industrial application with plethora of examples to make the concepts crystal clear. She then discussed certain interesting and landmark cases like (1) Diamond vs Chakrabarty (2) Association of Molecular Pathology vs Myriad Genetics (3) Oliver Brustle vs Green Peace (4) Turmeric Patent Case. She also gave us an insight into Traditional Knowledge Digital Library (TKDL).

Dr. Samir Kulkarni talked about patenting in bio pharmaceutical and discussed how these kinds of patent are used in the industry. He also gave us a brief insight into biopharmaceutical and stated that they are extremely complex to develop. The chronology of drug discovery and different ways in which drugs can be patented in the Indian

scenario was also discussed. According to Dr. Kulkarni India is known as the “Pharmacy of World” because we can provide generic medicine to the world and discovery in these aspects are needed.

Dr. Shivanand Teli spoke about Patent Process in technology with hands on experience and case study discussion. He spoke about Design Patent and its registration process. In the beginning the process involves filling of Design Disclosure Form wherein the applicant must upload the photographs of his product, write about advantages and applications of their product. He further stated that it is very important that the product to be unique and innovative. He also gave vital information to the students that every Friday nearly five hundred patents are shown on the Government website. By surfing the site, one will be able to keep pace with latest happenings taking place in the field of Patent.

Dr. Smita Sahu started the session by using a very famous phrase “When you are good at something, don’t do it for free”. This was used in the context of IPR. She motivated the audience by asking them to generate ideas and own them, as IPR is created by using human intellect. She gave an insight into IP Portfolio and the importance of IPR. IPR encourages innovation and rewards the creators of the same. She also said that ‘we shouldn’t let our invention die in the valley of death’. Dr. Smita Sahu spoke about IPR cell procedural aspects at Amity University and gave an insight that filing of patent application has increased drastically in Amity University.
