MESSAGE FROM FOUNDER PRESIDENT

Amity is not just a group of institutions which imparts world-class education, but an experience where everyone associated is part of a dream, a mission to see that we nurture truly great leaders.

In my over 30 years stay in West Germany, I realized, through interacting with the over 6000 Europeans working for me, that we Indians have the intelligence, the talent and the potential to be the most successful people in the world. That is why we established the Ritnand Balved Education Foundation in 1986 to start institutions which will groom young future leaders to be complete, value-driven human beings and competent professionals with a deep passion for humanity. These will be the people who will lead the world.

Today, we are proud that Amity is synonymous with practical, industry- focused education, and attracts the best students. The fact that our alumni are working in the best companies across the world is a testament to our extremely talented faculty who inculcate, by example, in each student the spirit of dedication, sincerity and loyalty, and to all the corporates who support our mission with so much enthusiasm.

Each one of our students will be a success story. This is my dream; this is my commitment.

Dr. Ashok. K. Chauhan
Founder President, Ritnand Balved Education Foundation
Chairman, AK Group of Companies
