1	<p>“I am Grateful for my time at Amity and AIAE, where academic excellence was complemented by diverse co-curricular opportunities, fostering significant personal growth. From winning NASA awards to attending Harvard conferences, Amity's support has been unwavering throughout. Internships in DRDO labs enriched my development, thanks to the quality of education here. The robust placement assistance, including resume building, LinkedIn enhancement and personality development workshops, led to my placement at Zycus in July 2023, a year before graduation. This success highlights Amity's holistic approach to education and support system towards students.”</p>	 <p>Madhav Sehgal B.Tech (AE), 2020-2024 M.S Student at University of Michigan</p>
2	<p>“My journey at Amity University was truly enriching. The university's commitment to academic excellence and holistic development has greatly contributed to my growth as an individual. The faculty members have not only imparted knowledge but also inspired and encouraged me to explore my potential. Apart from academics, the university offers a vibrant campus life filled with various activities and events. I am grateful for the opportunities and experiences I gained at Amity University.”</p>	 <p>Nitika Pathak B.Tech (AE), 2020-2024 M. S Student at the University College of London.</p>
3	<p>“As parent, I couldn't be prouder of the growth and achievements my child has experienced during her time at Amity University. The university has provided an exceptional learning environment, fostering a perfect balance between academics and extracurricular activities. I have witnessed my child's overall growth, both intellectually and personally at Amity University.”</p>	 <p>Father of Nitika Pathak</p>

4	<p>"I am thrilled to have secured a placement at Dassault Aircraft Services Pvt Ltd and Indigo Pvt. Ltd., thanks to the invaluable education and support from Amity University, Noida, Uttar Pradesh. The rigorous curriculum, mentorship, and hands-on experiences prepared me well for the aerospace industry. I'm eager to contribute my skills and passion to Dassault's innovative projects. Thank you, my professors and placement cell of Amity University Noida for shaping me into the professional I am today."</p>	 <p>Anusha Suri B.Tech (AE), 2020-2024 Joined Indigo</p>
5	<p>"During my enriching four years at AIAE pursuing B.Tech. in Aerospace Engineering, I've been privileged to showcase my work on numerous esteemed national and international platforms. Thanks to the unwavering guidance of AUUP's distinguished professors, I've clinched multiple awards and garnered attention by appearing on both national and international media pages. With a passion for research fuelling my journey, the support and mentorship from my professors have paved the path for offers from prestigious institutions, for further studies with a focus on research as well as lucrative job opportunities. AIAE and AUUP have truly been instrumental in shaping my academic and professional endeavours, and I'm profoundly grateful for the invaluable experiences and opportunities they've provided me"</p>	 <p>Ria P Dey B.Tech (AE), 2020-2024 PhD Scholar at John Hopkins University</p>
6	<p>"I am profoundly grateful to Amity University for the exceptional education I received during my bachelor's degree in aerospace engineering. The rigorous academic curriculum, coupled with supportive faculty, prepared me for the challenges ahead. Amity not only honed my skills but also provided a platform to connect with a renowned foreign university. This invaluable opportunity opened doors for me to pursue higher studies abroad, turning my dream into reality. The global perspective I gained at Amity has been instrumental in shaping my academic journey, and I am indebted to the university for laying the foundation of my success."</p>	 <p>Ashutosh Biswal B.Tech (AE), 2020-2024 PhD Scholar at IOWA state University, USA</p>

7

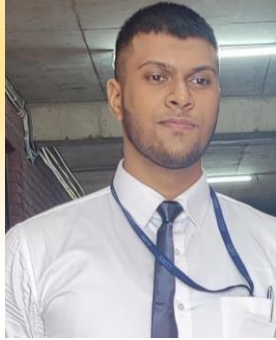

“We extend our heartfelt gratitude to Amity University, especially AIAE and its support for providing our child with an outstanding education throughout the 4 years of bachelor’s that paved the way for their successful journey to a prestigious foreign university. Amity's commitment to excellence and global connections played a pivotal role in fulfilling our child's dream of pursuing higher studies abroad. Thank you, Amity, for being the catalyst in their academic success.”

Father of Ashutosh Biswal

1	<p>“Amity University in Noida has been a wonderful experience for me. My teachers and friends here assisted me in becoming the person I am today. I was also able to create a competitive spirit and personality via academic knowledge to succeed in the real world. In our department, we were like a close-knit family who grew together reaching new heights. Amity played a very crucial role in my success.”</p>	 <p>Shubham Nautiyal B. Tech (AE), 2017-2021 Placed as UAV Pilot, Asteria Aerospace.</p>
2	<p>“My experience at Amity has helped me to develop my personality, knowledge, and talents to the best of my ability. Not just academic knowledge, but also actual application as a member of our departmental aeromodelling club. My talents were recognized and put to the test in numerous competitions, whether I was participating or organizing. I'd want to thank my professors and classmates for always being there for me. The sky's the limit!!”</p>	 <p>Nishant Thakur B. Tech (AE), 2018-2022 Placed as Technical Ground instructor at Spicejet Ltd.</p>
3	<p>“Life at Amity University has been a roller-coaster ride and one of the finest times of my life. Amity offers a fantastic academic environment. The professors were as dedicated as they were skilled. They are actively involved in research projects, which provide students with a balanced picture of R&D, and the aerospace labs are well-equipped with cutting-edge technology. I'd want to convey my appreciation for the exceptional chances offered by ATPC and this college.</p>	

	<p>From hands-on projects to overseas study programs, I've had the opportunity to explore and find my interests in ways I never imagined possible. Amity has also given me the option to participate in extracurricular activities such as clubs, volunteer work, and sports teams. These experiences have broadened my horizons and given me a deeper appreciation for the wider world."</p>	<p>Hardik Mahajan B. Tech. + M.Tech. (AE) (Intg.), 2017-2022 Place at Research Associate, Markets and Markets Research Pvt. limited</p>
<p>4</p>	<p>"Amity Institute of Aerospace Engineering has helped me grow personally and professionally. I still remember the ice-breaking sessions with teachers and seniors. In our one-month-long sports competition, Sangathan, we developed teamwork, time management, and network. I was more motivated by seeing those shining trophies. I not only got a chance to grow academically but also in sports and extracurriculars. Our aeromodelling club went to different competitions and won at IIT Ropar (during my second year). It gave me a boost and enhanced my skillsets related to drones. Later I interned at different drone companies and represented one at World Defense Show in Saudi Arabia in March 2022. Teachers always motivated me to grab opportunities that came my way. When I look back at my four years journey, I see growth, learning, and amazing friendship tales. Thanks to Amity University and excellent motivating teachers."</p>	 <p>Neha Yadav B. Tech (AE), 2018-2022 Placed as Graduate Engineer Trainee at United Airlines</p>
<p>5</p>	<p>"Opting for my post-graduation course at Amity University, Noida has been my best decision ever. I got the perfect guidance from my teachers for both career and personality building. I feel blessed to have encountered such teachers in my life. Amity successfully conducted classes through online mode even during the COVID period, without compromising on the quality of lectures and sessions. Lastly, I would like to express my sincere thanks to ATPC and Institute placement team who provided me with so many placement opportunities. Amity University has played a crucial role in my career for which I'll be forever thankful."</p>	 <p>Namrata Bera M. Tech (AE), 2020-2022 Placed as Research Associate, Markets and Markets Research Pvt. limited</p>
<p>6</p>	<p>"My journey in Amity University has been exquisite and made me unlock my potential that</p>	

	<p>I never thought I had. I am sincerely grateful for the opportunities that were provided to me in my institute, Amity Institute of Aerospace Engineering. The knowledge and experience I was able to gain from the outstanding faculties and seniors, paved my way to become more active academically and professionally as well. I would also like to thank the ATPC team for providing me with various opportunities.</p> <p>Thanks a lot Amity for these brilliant 4 years.”</p>	 <p>Zayd Akhtar B. Tech (AE), 2018-2022 Placed as Programmer Analyst Trainee, COGNIZANT.</p>
<p>7.</p>	<p>“My time at Amity University has been a journey filled with personal and character growth and also amazing memories. From the moment I stepped onto campus, I knew that this would be a life-changing experience. The professors, staff, and classmates I have met, have challenged me to think critically, embrace new perspectives, and strive for excellence. The labs are well equipped with the latest technology which helps gain the R& D perspective. ATPC and Institute placement committee has provided me with multiple (03) opportunities, and I received placement in both core and IT companies leaving me to decide the direction of my life. These experiences have broadened my horizons and given me a deeper appreciation for the wider world.”</p>	 <p>Jaspreet Kaur B. Tech. + M.Tech.(AE) Intg., 2017-2022 Placed in Cloud EZE Pvt Ltd.,</p>
<p>8.</p>	<p>“My Amity journey has been like a roller coaster ride for me. With few downs there come a lot of ups. I’m so grateful to my institute for not only providing me with such excellent academics but to give me such amazing friends and caring faculty. Amity has played an important role in who I’m today as an individual, as well as It, has provided me those opportunities which I was looking for in career growth.”</p>	 <p>Yashika Anand B. Tech. (AE), 2018-2022 Placed as Graduate Engineer Trainee at United Airlines</p>

<p>9.</p>	<p>“Taking admission during the time of COVID, I expected the two years of M.Tech to be a roller coaster ride. But it was anything but, thanks to the great infrastructure and consistent support from all our faculty. Pursuing my masters from amity university not only helped me enhance my design and analysis skills, but also helped me become a man of intellect. Further, I would like to thank the team of ATPC for bringing various placement opportunities for me and providing me a job at Aviotron Aerospace. Amity has played a major role in my success. Thank you Amity!”</p>	 <p>Abhishek Saxena M. Tech. (AE), 2020-2022 Placed in Aviotron Aerospace</p>
<p>10.</p>	<p>"My journey at Amity University was good & extremely important. The reason it was so important is because by the time I finished my graduation, I realized that as human beings we are more than just academically knowledgeable. It was my period in Amity that made me understand why holistic development is necessary. I am thankful to the faculty of AIAE & other departments who have taught me & guided me throughout this period. I am thankful to the friends I made here, not to forget those seniors who turned into mentors & always helped me in my hour of need. I am grateful to the Amity Technical Placement Centre for smooth conduct of placement sessions & their non-stop motivation for us. Last but not the least, I am in the initial stage of my career & Amity University has played a crucial role in it. Once an Amitian, always an Amitian!"</p>	 <p>Sushovon Bandyopadhyay B. Tech. (AE), 2018-2022 Placed as Application Development Associate at Accenture</p>
<p>11.</p>	<p>“It has been a highly satisfactory journey at Amity University, Noida. My overall experience to date has been quite good. Amity has provided me with a lot of knowledge and opportunities to develop myself into someone I want to be. I would like to express my sincere gratitude to my HOI and the whole AIAE department for providing me with all the necessities in developing my skill. Moreover, I'd like to thank the ATPC for providing me with a plethora of opportunities and supporting me during the placement process at Indigo. It has been an honor for me to be a part of this university. Thank You Amity!”</p>	 <p>Hindool Sharma, B. Tech. (AE), 2019-2023 Placed as Graduate Engineer Trainee- Flight despatch</p>

		department at Indigo Airlines.
12	<p>“My time at Amity University, Noida has been fantastic. The college boasts excellent facilities and a great teaching staff. I'm grateful for the opportunities they've given me to develop my abilities and thank the teachers who have helped me grow. I also appreciate the support from my institute regarding placement. Amity has been instrumental in my success, and I am thankful for this experience.”</p>	 <p>Divyansh Singh, B. Tech. (AE), 2019-2023 Placed as Trainer at Aviotron Aerospace</p>
13	<p>“My journey in the Amity institute of Aerospace Engineering has been brilliant. I am grateful for the concepts and knowledge that I could acquire from faculty and institute. These concepts and knowledge have helped a lot in my future career. Amity played an important role in my life for many lessons, and I am thankful.”</p>	 <p>Tolety Eesha, B. Tech. (AE), 2019-2023 Placed as Graduate Engineer Trainee at Collins Aerospace</p>
14	<p>“I'd want to express my gratitude to everyone at my college (Amity Institute of Aerospace Engineering) for providing me with several useful experiences and possibilities. From the professors to the staff, everyone has been really friendly and accommodating. They have taught me so much and have assisted me in growing and succeeding both academically and personally. I am appreciative of everyone's efforts in making this institute an excellent place to study, grow, and build lifetime friendships. Thank you very much!”</p>	 <p>Tushar Sen, B. Tech. (AE), 2019-2023 Placed as Trainer at Aviotron Aerospace</p>

<p>15</p>	<p>“Amity Institute of Aerospace Engineering is a great place to study aerospace engineering. The faculty is knowledgeable and dedicated to helping students succeed. The curriculum is well-rounded and prepares students for the industry. The campus has state-of-the-art facilities, including labs and workshops. The college also provided plentiful opportunities for students to secure internships and job placements. I was fortunate enough to get placed in a reputed company through campus recruitment, and I credit this success to the training and guidance provided by the faculty and ATPC. They were always available to offer support and advice and helped me develop the necessary skills and confidence to excel in the job market. I highly recommend this institute to anyone looking to build a successful career in aerospace engineering.”</p>	 <p>Shubhangi Sundaria, B. Tech. (AE), 2019-2023 Placed as Graduate Engineer Trainee at Collins Aerospace</p>
<p>16</p>	<p>“The four years that I spent at Amity University were really great and contributed to making up my personality and character. I have learned so much from this university, not only academically but also in life skills. I am grateful to the faculty members of AIAE who supported me every time. I would also like to thank Institute placement team and ATPC for giving me nice opportunities and enhancing my career. Amity has played a vital role in my success.”</p>	 <p>Amritansh Kumar Bhagat, B. Tech. (AE), 2019-2023 Placed as Graduate Engineer Trainee at Collins Aerospace</p>
<p>17</p>	<p>“Amity University, Noida opened a whole new world for me where I came across extraordinary and highly qualified mentors. I learnt the value of dedication and hard work from the faculty members, which paved the way for all my academic achievements. Amity provides an environment that is conducive to developing all the necessary skills required to become industry ready. The faculty members at AIAE leave no stone unturned to help and guide at any given point in time. The Amity Technical Placement Cell also goes all out to give us ample opportunities and works hard to ensure</p>	 <p>Arwa Farhat Abbas, B. Tech. (AE), 2019-2023 Placed as Graduate Engineer Trainee at Tata Technologies</p>

	<p>that we get the best offers and placements possible. I highly appreciate the faculty members as well as the ATPC for their commitment towards our goals and aspirations.”</p>	
<p>18</p>	<p>“I am delighted to share my experience which I have with Amity University, Noida during my B-tech here at Amity Institute of Aerospace Engineering (AIAE). AIAE has always supported me being it concepts, mentorship, motivation for achieving great etc. Here at AIAE, all the professors are well experienced and Qualified, they teach the concepts in a very easy and effective way so that the attentive students grab the concepts very easily. Due to this reason, I was able to Qualify for GATE 2022 (Aerospace) in my first attempt with AIR 639 in my third year. The placement cell of Amity University is very helpful for aspiring students to get jobs in the best Industries. I heartily thank ATPC and Institute placement In charge for helping me in getting placed in 2 companies namely IndiGo and Cognizant, IndiGo being my core company placement.”</p>	 <p>Amit Kushwaha B. Tech. (AE), 2019-2023 Placed as Graduate Engineer Trainee- Flight despatch department at Indigo Airlines.</p>
<p>19</p>	<p>“Amity University is a fantastic place for students to learn and grow. It has benefited me in numerous ways, and as a result, I have improved my talents and character. The Aerospace Department is full of good inspirations, and the faculty is pleasant and encouraging, making them the greatest advisors for any student looking to establish the best profession as a person. University allows you to meet people from other backgrounds and cultures, establish new friendships, and broaden your social circle. The University has a number of clubs, organizations, and sports teams where students may follow their interests, learn new skills, and have fun. Overall, the university can be a challenging and rewarding experience, providing students with a wealth of opportunities to learn, grow, and thrive.”</p>	 <p>Srivatsav Sanjay Sridhar, B. Tech. + M.Tech.(AE) Intg., 2018-2023 Placed as Graduate Engineer Trainee at Collins Aerospace.</p>

<p>20</p>	<p>“Amity University is an amazing platform to broaden knowledge beyond their field of studies within a multicultural environment. The competency and professionalism of the professors were nothing but outstanding. I also extend my gratitude towards the placement team for providing great career opportunities. I was able to secure 03 placement offers. It has been a wonderful journey being an Amitian with lots of memories to cherish.”</p>	 <p>Asvitha Raja, B. Tech. + M.Tech.(AE) Intg., 2018-2023 Placed as Graduate Engineer Trainee at Collins Aerospace.</p>
<p>21</p>	<p>“The institution has offered me several possibilities to study and improve not just in technical skills but also in soft skills such as leadership, coordination, and team management. The superb infrastructure, as well as industry-standard labs, have really helped me in comprehending practical concepts and learning via visualization. The faculty is not just cooperative, but also there to assist students whenever they need it. Amity has played a vital role in my development by allowing me to explore my areas of interest and offering me the opportunity to grow in those areas. Finally, I'd want to thank the ATPC for giving placement chances. I'd want to offer my heartfelt appreciation to all of the faculty and staff at Amity University and AIAE. Thank you so much, Amity.”</p>	 <p>Ali Asgar Malik, B. Tech. (AE), 2019-2023 Placed as Trainee-Business Development at Zycus.</p>

Program, Germany

Joining Amity Aerospace department has been a life changing experience for me. It improved my outlook towards life and motivated me to pursue excellence. I am grateful to my teachers, seniors and fellow classmates with whom I spent the best 4 years of my life. Facilities available at AIAE helped me to pursue my dream subject with ease.

Mr. Tushar Goel

Assistant Manager,
Spicejet.

I joined AIAE with a passion for Aerospace Engineering. AIAE lab facilities and the faculty members helped me to achieve my dream. Amity helped me groom myself and also equipped me to face the challenges of the competitive market outside.

S. Lt. Samson Moses,
Indian Navy

My time at AIAE was one replete with immense learning filled with equal parts joy. AIAE family is a very close-knit family and hence, the experience was one that would help us all as we progress in the outside world!

Ms. Priyal Dhir

Graduate Engineer Trainee,
Ingersoll Rand

It was great being a part of Amity family! It exposed me to wide range of experiences, gave me platforms to know and hone my skills and talents and provide me a beautiful holistic development and yes! The faculty really are the one who stands there 24*7 for helping us out like our guardians

Ms. Aditi Dixit

Quality Engineer, TATA
Advanced Systems Ltd

My experience at Amity exceeded expectations. It was wonderful to learn under great mentors and gain useful life skills which is only possible in this diverse environment. The skills and knowledge that I picked up at Amity have been extremely helpful in making a mark in my professional career and for that I will forever remain grateful to this amazing institution

Mr. Ritesh Jain

M.Sc. Aeronautical
Engineering, **Politecnico Di**
Milano, Italy

Amity has enriched my life in many ways. It has provided me with necessary tools to enhance my educational and interpersonal skills. It has also stressed to me the importance of critical thinking and leadership. All these aspects of college helped me to become well-rounded and dynamics as a person. My experiences at Amity are truly irreplaceable and I would not trade them for anything.
