| <b>Roles &amp; Responsibilities</b>   | Profile 1:<br><b>Therapeutic Engagement:</b>  |

- Providing psychotherapy to individuals/couples presenting mental health concerns such as depression, anxiety, interpersonal conflicts, and grief (to name a few).
- Understanding the client's context and finding appropriate methods to support their distress by addressing the thought processes, feelings, and/or behavior.
- Clinical assessment, treatment planning, and building & maintaining robust case documentation.
- Maintaining a high quality of professional conduct in-line with Mind Piper's organizational standards.
- Designing and conducting psychoeducational workshops, trainings, and support circles for clients and stakeholders across the socio-economic spectrum in line with the organization's strategy.

**Community Engagement and Relationship Building:**

- Proactively initiating collaborations and partnerships with institutions aligned towards greater accessibility and awareness of mental health care.
- Building and maintaining authentic working relationships and networking with mental health professionals & institutions in the impact sector.
- Providing assistance to the marketing & communications team in designing and implementing outreach campaigns to build awareness of mental health and our services nationwide. This would entail amplifying Mind Piper's voice as an authentic, inclusive, and credible mental health organization.
- Providing creative solutions and showcasing consistency & determination in leading projects aimed at bringing systemic change towards accessibility for mental health care.

Profile 2:

**Therapeutic Engagement:**

- Providing psychotherapy to individuals/couples presenting mental health concerns such as depression, anxiety, interpersonal conflicts, and grief (to name a few).
- Understanding the client's context and finding appropriate methods to support their distress by addressing the thought processes, feelings, and/or behavior.
- Treatment planning and building & maintaining robust case documentation.
- Maintaining a high quality of professional conduct in-line with Mind Piper's organizational standards.
- Supporting in planning for psychoeducational workshops and trainings

**Advocacy and Community Engagement:**

- Assistance to the marketing & communications team in designing and implementing outreach campaigns to build awareness of mental health and our services nationwide. This would entail amplifying Mind Piper's voice as an authentic, inclusive, and credible mental health organization.
- Building and maintaining authentic working relationships and networking with mental health professionals & institutions in the impact sector.
- Proactively engaging in content creation around mental health awareness
