

Codevita - Season 4

Anything when pursued with passion becomes a delightful hobby and helps you find your inner sanctum.

Programming is a passion for many of us and if pursued passionately, it can become a hobby as well as a high flying career opportunity, Understanding this passion of coding we want to give you all an opportunity to test your programming skills with a gamified approach.

After having run two seasons of the competition in India the CodeVita contest has set a new standard by going global last year. Students from 6 Continents participated, Total 1, 32,066 students had registered for the contest across the globe in 2014.

Delighted to inform you that TCS CodeVita Season 4 is launched, Registrations have started on 7th July 2015 & we are looking forward for a fantastic season this year.

For those of you who have not heard of this contest before, TCS CodeVita, a programming competition, is TCS way of attracting young impressionable college students to adopt the culture of looking at programming as a sport and experience the joy of programming.

The Contest has very systematic & well laid out set of rules, rounds and procedure.
