ENACTUS PROJECT - 2019 **For (All Semester Students)**

ABOUT ENACTUS -

Enactus is the world's largest experiential learning platform dedicated to creating a better world while developing the next generation of entrepreneurial leaders and social innovators. The Enactus network of global business, academic and student leaders are unified by our vision—to create a better, more sustainable world.

At Enactus, we believe investing in students who take entrepreneurial action for others creates a better world for us all.

Our 72,000 students are entrepreneurial, values-driven social innovators across 1,730 campuses in 36 countries, positively impacting the lives of 1.3 million people each year. Guided by educators and supported by business leaders, teams of students conduct needs assessments in their community, identify potential solutions to complex issues and implement community impact projects.
