Instructions for Students regarding	1. The registration and online assessment link provided above has been created specifically for Amity students. Students should not

Online Assessment	<p>forward this link to anyone outside of the university campus as it could confuse external applicants.</p> <ol style="list-style-type: none"> 2. Students should complete the application and the online assessment before 10 AM IST on 5 December 2019. Extensions will not be given and online assessment completions after the deadline will not be accepted. 3. The online assessment takes approximately 50-60 minutes to complete so students are advised to start applying to the link above and completing the online assessment as soon as they can. More information on the timing is available when you start the assessment. 4. If students find that the online assessment does not work, then they should first download the latest version of Mozilla or Chrome and use one of these browsers to complete their application and the online assessment. 5. Students should apply and take the online assessment on a high speed network as there are audio instructions incorporated in the test that are critical for the student's understanding. Text is also displayed alongside the audio instructions in case audio does not work.
