

**ENACTUS AMITY UNIVERSITY**

ENACTUS is an international non-profit organization, dedicated to inspire students to improve the world through entrepreneurial action. Enactus is the world's largest experiential learning platform dedicated to creating a better world while developing the next generation of entrepreneurial leaders and social innovators.

It provides a platform for teams of outstanding university students to create community development projects that put people's own ingenuity and talents at the center of improving their livelihoods.

Guided by educators and supported by business leaders, students take the kind of entrepreneurial approach that empowers people to be a part of their own success.

It works towards transformation of both the lives of people involved, and in turn, the lives of students as they develop into more effective, values-driven leaders.
