Amity University Chhattisgarh is committed to foster the good health and well-being of all members of its University community. It aims to reduce pollution and hazardous air pollutants through this prohibition. Medical research confirms the many health risks of smoking and tobacco usage as well as the negative effects of second-hand smoke.

The policy covers all property and vehicles owned, leased, rented, or operated by Amity University Chhattisgarh and includes cigarettes, cigars, pipes, e-cigarettes, dipping tobaccos, snuff, other smokeless tobacco, hookah, marijuana, cannabis and related electronic and other products.

The policy pertains to everyone associated with the University community including students, employees, contracted service employees, vendors and visitors. Communication. The policy is published widely through various University outlets and will be included in the Student Handbook and website. Signage indicating that the University is smoke-free and tobacco-free are posted on campus. Existing policies, regulations and penalties governing smoking and tobacco usage inside university property will remain in effect as promulgated.

Compliance: This policy is applicable to every person within the university campus premises. Every person entering the university campus shall comply with the smoke-free policy promulgated by AUC time to time. It is encouraged that no one should use tobacco in any form, even outside the campus premises. Anyone who elects to continue to smoke or use tobacco products on public sidewalks must stay clear of any building entrances and dispose of these items properly outside the periphery of the campus.

During the first few years of implementation, enforcement consisted of policy reminders by University Administration and other members of the community, without reprisals.

The University will continue to sponsor programs and events that increase awareness of the negative effects and health risks of smoking and tobacco usage. The Counselling and Guidance Centre and the Health Services office offers supportive services and information for those who wish to quit smoking and tobacco usage. The cooperation of all members of university is needed to ensure a healthy environment for everyone.
