

AMITY UNIVERSITY

CHHATTISGARH

Facilities Developed for Persons with Disabilities

The Amity University Chhattisgarh is committed to creating an inclusive and accessible environment for all individuals, including persons with disabilities. To ensure equity, independence, and full participation in academic and social life, a barrier free environment with the following facilities and services have been developed:

- **Wheelchair-Accessible Infrastructure:** All major buildings, including classrooms, libraries, and administrative offices, are equipped with ramps, wide corridors, and automatic doors.
- **Elevators:** Elevators have been installed in all academic and hostel buildings to ensure ease of access for persons with disabilities, facilitating independent movement across multiple floors.
- **Accessible Restrooms:** Appropriate restrooms are in place.

In addition to the above, support is provided for examinations, viz. extended time, if required, scribe to assist a student with a disability etc.
