

## **Report on Food Distribution Activities in Association with Sparsh.**

Amity University Chhattisgarh is association with Sparsh conducted various food distribution camps for the slum and poor people.

Many people can be seen waiting outside the hospitals awaiting the discharge of their relatives undergoing treatment at the hospitals. Their problems have got doubled with the imposition of lockdown by the government as they are not in a position to go anywhere to get food or water. In this situation, Amity University Chhattisgarh conducted many food distribution camps.

Major areas worked on.

A. Assess the potential need for food. Estimate how much food is available in the slum areas and how much more food will be needed to protect the people from possible food shortages.

B. Work with private sector providers and any humanitarian agencies present in the city to secure essential nutritious food stocks for later distribution.

C. Work with various public and private organizations to set up and operate temporary warehouses to receive, store, and distribute the food using social distancing measures.

D. Coordinate with members of the municipal leadership team that are working to identify those most at risk of food insecurity to ensure that the most needy are the people that get food rations first.
