Camp for entrepreneurship awareness

To foster awareness about entrepreneurship among youths and motivate them to embark upon inclusive, transparent and affordable innovations, a three-day camp was organised in Raipur at Amity University in association with Department of Science and Technology, Union government and the Entrepreneurship Development Institute of India in Gujarat. Around 100 select participants, including academicians, research scholars and students, participated in the event that culminated on Friday. Entrepreneurship and innovation remained the focus areas of camp, with entrepreneurs gracing the event as resource persons. The youths were encouraged to reach out to larger sections of society and serve them with best minds and available technologies.

**Google News Initiative in collaboration with Amity School of Communication organizes a workshop on 'Poll check: Covering India's Election'**

Raipur. 16<sup>th</sup> March 2019. Amity School of Communication in collaboration with Google News Initiative organized a one-day workshop on 'Poll check: Covering India's Election', which is a training series to support the journalists covering upcoming elections across the country.

In the inaugural session of the workshop the welcome address was delivered by Prof.(Dr.) S.C. Nayak, Head of Institution Amity School of Communication. Prof. Nayak payed his gratitude to the Chief Guest of the occasion Hon'ble Higher Education Minister Govt. of Chhattisgarh Mr. Umesh Kumar Patel and Guest of Honour Mr. P.C. Hota, Editor News 18 Chhattisgarh for sparing their precious time for this workshop.

In his presidential address Prof. (Dr.) R.K. Pandey, Vice-Chancellor Amity University Chhattisgarh impressed the importance of social media in our day to day lives and the responsibility that users have over the interpretation and propagation of information available online.

While addressing the session, the Guest of Honor Mr. P.C. Hota, Editor News 18 Chhattisgarh said, "...the job of the journalists is that of gatekeeping, which is being repeatedly endangered because of the unverified flow of information over the internet." Mr. Hota congratulated Google and the Media School for organizing this need of the hour workshop.

The Chief Guest of the occasion Hon'ble Higher Education Minister Govt. of Chhattisgarh Mr.Patel said, "...any information is harmless as long as it is factual. But the adulteration of the facts is what creates fake news and it is a huge drawback for our society." Hon'ble Minister further added that, "fake news is one of the biggest challenges faced by the media today and this workshop is a great step towards tackling this major issue".

The vote of thanks for the inaugural session was delivered by Dr. S.C. Mukhopadhyay, registrar Amity University Chhattisgarh.

Over the span of the work shop there were three sessions conducted by senior google trainers Mr. Raj Vardharajan and Mr. Amjad Badshah on - 'Verification and Fact Checking', 'YouTube for Election Coverage' and 'Digital Security and Safety'. Over 150 leading Journalists, Media Academicians and Journalism Students from across the state participated in the day long workshop. The workshop concluded with a cultural programme where in students from various schools of the university showcased their hidden talent in the form of wonderful performances.

Place : Amity University Chhattisgarh

Venue : Auditorium, Amity University Chhattisgarh

Date of the Workshop : September 27, 2018

Total Audience : Around 600 No's

(Scientist, Eminent Personalities, Students-AUC, Faculty-AUC)

## About the workshop

The IFC scheme of NRDC has specific stated objectives though, the scheme has larger scope and it is still evolving. It is expected that during the operation of scheme and through workshop like this, new ideas will be generated. There will be continuous process of consultation with all stakeholders in the country through IFC platform and the outcome and recommendations of such consultative process will be shared with NRDC from time to time to provide much needed boost to 'innovation' process and practices in the country.

## Objectives

The Objectives of the Workshop, being the first initiative under NRDC-IFC, will be as follows, while familiarizing the faculty and staff of Amity University as captive audience. **The workshop consisting of an extensive technical sessions that has a mandate of fruitful deliberations for promoting innovations across sectors and exchange of best practices in the field of IP. The participants of the workshop include faculties/researchers and students.**

The workshop is expected to help:

- i) to inculcate a culture of intellectual property creation and protection,
- ii) to leverage and commercialize their intangible creations,
- iii) and the significance of initiating a productive collaboration between Academia-Industry-R & D Organizations for achieving a sustainable progressive Amity IP landscape.

### **A) Details on the Inaugural and Technical sessions of the Workshop on Innovation & IPR, Eminent Guests / Speakers Profile and their valuable insights on 'Innovation & IPR'**

Amity University, right from inception, focuses on pioneering, innovative and creative ideas and encourages the intellectuals for novel research. To create awareness about IPR amongst the youth and motivate them to come up with inclusive, transparent and affordable innovations which are beneficial for larger part of society, Amity University Chhattisgarh in association with NRDC organized One Day Workshop on "Innovation and Intellectual Property Rights" on 27th September 2018 for the students, faculty members and researchers. It was a platform to share cutting-edge knowledge, research projects and innovative ideas by domain experts. The workshop aimed at sensitizing faculty and students on understanding key aspects of IPR, protecting one's ideas, patents, trademarks, copyrights and emphasized importance of innovation and its ever increasing role in our lives.

**Shri Alok Awasthi, IAS Director, Chhattisgarh Academy of Administration and Managing Director, Chhattisgarh Khadi and Village Industries Board, Dr. W. Selvamurthy, President, ASTIF, Chancellor, AUC, Prof. (Dr.) Shyamalendu Niyogi, Director NRDC-Amity IFC; Advisor RBEF & AHF; Professor Amity University, Noida, Dr Smita Sahu, Assistant Professor, Registered Indian Patent Attorney, ASTIF/ADSI/AIB Amity University Noida, Prof Vijay Singh Dahima, Head of Campus, Prof S C Mukhopadhyay, Registrar inaugurated the workshop.**

Addressing the gathering, Prof V S Dahima, Head of Campus, AUC stated that innovation is at the core of the growth of human being and creativity, innovation and patenting are the need of the hour. He shared that Amity has filed over 975 patents in last few years and it is the largest Private University to have maximum number of patents filed in till date.

Prof. (Dr.) Shyamalendu Niyogi, Director, NRDC-Amity IFC, Advisor RBEF & AHF, Professor Amity University Noida introduced IFC, welcomed the young researchers to come out with innovative start up ideas. He guided them to protect their knowledge and ideas while they are doing their research with IP Protection. He stressed that IPR is the key for opulence, knowledge transfer can be done it authentically and India can become knowledge superpower only through Innovations and IPR. He conveyed the message of Dr. H. Puroshotham, Chairman & Managing Director of National Research Development Corporation in India (NRDC), who assured that NRDC-AMITY Intellectual Property Facilitation Centre shall strive its best to create awareness and skills amongst the students and faculty on various IP issues to maintain the leadership position of Amity University in the academic institutions. He encouraged all the students and faculty to equip themselves with knowledge on various IPs as IPRs are playing key role in the knowledge economy, particularly in trade, investment, innovation and overall socio-economic development of the nations.

Sharing his views, Dr. W. Selvamurthy, President, ASTIF, Chancellor, AUC, stated that he has a faith in young researchers are the future of the country and they will set a better world order, filled with peace and prosperity. He affirmed that India finds its pride having legacy of the Vedas, Upanishads, Unani, Takshashila, Nalanda and other institutions of eminence; he avowed that India will indubitably recur as knowledge superpower and Amity will play an imperative contribution in this resurrection. He stated that innovation can be in the field of management, science or a part of everyone's life; the future of IPR is bright in the country and the youth will take it to greater heights; Amity focuses on frugal innovations which can reach the grass root levels. He affirmed that Amity will shape the vision of Dr. Ashok K Chauhan- Founder President, Amity Group that India will be a knowledge superpower by 2025.

Addressing the gathering, Shri Alok Awasthi, IAS Director, Chhattisgarh Academy of Administration and Managing Director, Chhattisgarh Khadi and Village Industries Board, the Guest of Honour of the Programme stated that in last 18 years, Chhattisgarh has made immense progress. Industrialization has taken place at exemplary rate in the state. Priority for CG Govt. is to bring progress at agricultural products and industries. He welcomed young scientists and researchers to come up with innovation by which the people at grass root levels of Chhattisgarh can be benefited.

Shri Gaurishankar Agrawal, Hon'ble Speaker, Chhattisgarh State Assembly, Raipur through his video message congratulated Amity University Chhattisgarh for organizing the workshop and enhancing the Innovation and IPR practices in the state.

The workshop was attended by several dignitaries, including scientists, scholars, academicians, bureaucrats and around six hundred students of Amity University Chhattisgarh

## Special Guest

### 2) Dr. Pradeep Kumar Sinha, Fellow IEEE, Fellow CSI and ACM Distinguished Engineer, Vice Chancellor & Director, IIIT Naya Raipur

Dr. Pradeep Kumar Sinha, an engineer turned academician, is the Vice Chancellor and Director of International Institute of Information Technology (IIIT), Naya Raipur. Earlier he was with the Centre for Development of Advanced Computing (C-DAC), where he had led National Programs in areas of Supercomputing, Grid Computing, and Health Informatics.

Dr. Sinha is an educationist, researcher, scientist, inventor, and internationally acclaimed author of computer textbooks. His technical contributions include national projects, supercomputing systems and facilities, healthcare products and solutions, international patents, a number of technical papers and six books in the area of Computer Science & Engineering. Books authored by him are published and marketed by several national and international publishers. Indian, American, and other Universities across the globe cite his books as textbooks for their courses. On public demand, books authored by him have been translated in local languages like Japanese and Hindi.

Dr. Sinha was instrumental in commissioning the first National Supercomputing Facility at CDAC, Pune in 1998 and led C-DAC team to design and engineer the facility. He also led CDAC's team to design and commission the PARAM Yuva II supercomputer in 2013 at C-DAC, Pune which ranked 69th among the world's Top 500 Supercomputers in June 2013 list. The system ranked 44th in the world, 9th in Asia Pacific and Number One in India as per the November 2013 list of world's Green 500 supercomputers.

Dr. Sinha is a Fellow of IEEE (Institute of Electrical and Electronics Engineers, USA), a Fellow of CSI (Computer Society of India) and ACM Distinguished Engineer (Association for Computing Machinery, USA). He has several awards to his credit. Notable among these are VASVIK Research Award and Intel Pathfinder Award. Since 2015, Dr. Sinha has been deeply involved in building IIIT-Naya Raipur as a premier academic institute of the country.

**Dr Sinha emphasized in his speech** that an innovation or ideas can be derived from daily life and should not be high technology driven; he welcomed the researchers to come out with good innovations.

The inauguration was followed by two technical sessions by eminent speakers including Dr. Amit Dubey, Scientist D, Central Laboratory Facility (CLF)/Patent Information Centre (PIC), Chhattisgarh Council of Science and Technology, Raipur, Dr. Sushil Kumar Shahi, Associate Professor & Head, Department of Botany, Guru Ghasidas Central University, Bilaspur, Dr. Deepak Sharma, Principal Scientist, Indira Gandhi Krishi Vishwavidyalaya, Nodal Officer PPV &FR Act (CG), Dr. Muhammed Aamir Khan, Assistant Professor, Hidayatullah National Law University, Raipur and Dr Smita Sahu, Assistant Professor, Registered Indian Patent Attorney, ASTIF/ADSI/AIB, Amity University Noida.

### 3) Dr. Deepak Sharma, Principal Scientist, Indira Gandhi Krishi Vishwavidyalaya Nodal Officer PPV &FR Act (CG) Chhattisgarh

## Topic Three: Protection of Plant Variety Under PPVFRA Act.

Dr. Deepak Sharma is currently working as Principal Scientist and nodal officer of PPV&FRA at Department of Genetics and Plant Breeding, Indira Gandhi Krishi Vishwavidyalaya, Raipur-492012 (C.G.). He is basically a rice breeder and had more than 30 years' research experience in field of agricultural sciences/ plant breeding/crop Improvement.

He has developed first hybrid rice of Chhattisgarh (Indira Sona) and first rice mutant of Chhattisgarh (Trombay Chhattisgarh Dubraj Mutant-1). He was the team member for developing 14 rice varieties for Chhattisgarh state. He has published more than 70 research papers, >100 popular articles, >100 abstracts, >10 manuals/ catalogues, >20 folders, >20 Doordarshan talk, >30 Radio talk during his career. Total 6 Ph.D. students and 22 M.Sc. students were completed their research under his guidance. He has done excellent work for collection, conservation and registration of farmers' varieties of Chhattisgarh under the PPV&FRA. He is continuously working on this field since last 7 years. He has submitted more than 2000 application forms of farmers' varieties to PPV&FRA in which 1527 varieties were registered.

Total 449 registration certificate have been issued by PPV&FRA. He was the felicitator for total 11 Plant Genome Savior Awards given to the farmers' and farmers' community. One premium rice variety 'Jeeraphool' got geographical indication for Sarguja region of Chhattisgarh under his felicitation. He has organized more than 70 training cum awareness programme on PPV&FRA in entire Chhattisgarh. He has identified several farmers' communities and progressive farmers in Chhattisgarh state. He is working for revival and mainstreaming of traditional rice landraces of Chhattisgarh state through radiation based induce mutagenesis in collaboration with Bhabha Atomic Research Centre, Mumbai and Raja Ramanna Centre for Advanced Technology, Indore and Bioversity International, India, New Delhi.

### **3) Dr. Sushil Kumar Shahi, Associate Professor & Head Department of Botany, Guru Ghasidas Central University, Bilaspur**

#### **Topic Two: Intellectual Property Rights: Various Types and Importance**

Dr. Sushil Kumar Shahi has done his B.Sc from Chaudhary Charan Singh University, Meerut Formally Meerut University, Meerut, M.Sc from Dr. Ram Manohar Lohia Avadh University, Faizabad formally Awadh University, D.Phil from University of Allahabad. His Doctoral Research is on 'Antimycotic studies of some plants (control of dermatophytosis in human beings). He has a total Research experience of 19 years. He has worked in various research projects along with Council of Scientific and Industrial Research, New Delhi, India, NTPC, Sipat, Bilaspur (CG), India, Department of Science and Technology, New Delhi, India, SERB, Department of Science and Technology, New Delhi, India. **He is designated as Associate Professor & Head, Department of Botany, Guru Ghasidas Central University, Bilaspur**

**He has developed various herbal products including SKINGUARD, BSAD, SKINPRO, CANDIN-PRO etc. He has filed four Patents on Herbal Products.** His areas of Specialization are Microbial Technology, Mushroom nutraceuticals, Nano-biotechnology, phyto-medicine, lichen metabolites synthesis, Microbial product research, Bio-energy and quorum sensing. He is a Fellow of

1. Indian Botanical Society

2. Indian Phytopathological Society
3. Indian Society of Plant Pathologist
4. International Young Scientist Association
5. Indian Lichenological Society, Lucknow

#### **Dr Shahi discussed in the Technical session**

- 4) **Dr. Amit Dubey, Scientist D, Central Laboratory Facility (CLF)/Patent Information Centre (PIC), Chhattisgarh Council of Science and Technology, Raipur, Chhattisgarh**

#### **Topic One: Role of Intellectual Property in Innovation and New Product Development**

**He is currently a Scientist in Chattisgarh Council of Science and Technology Employed. He is having 22 yrs of experience in Research and Innovation. He is also incharge of Central Laboratory Facility (CLF)/Patent Information Centre (PIC) at Chhattisgarh Council of Science and Technology, Raipur**

**He did his Ph.D. in Biotechnology. He Possess skills in use of advanced instrument and analytical techniques in biotechnology and microbiology. He is also holding Deft in management of laboratory, lab equipments, collection & post processing of data, and implementation of models.**

5. **Dr. Muhammed Aamir Khan, Assistant Professor, Hidayatullah National Law University, Raipur Chhattisgarh**

#### **Topic Four: Innovation and Intellectual Property Rights—with special reference to Patent Laws**

**Dr. Muhammed Aamir Khan has done his LL. B., LL. M. and Ph.D from Rani Durgawati University. He has done his Ph.D in Patents Law (IPR), he also cleared UGC-NET examination and has done M.A. in English Literature from IGNOU. Prior to joining HNLUs as an Assistant Professor, he worked as a Department In charge In Kalinga University, Raipur, Chhattisgarh. He has presented research papers in various National as well as International Journals. At HNLU he teaches International Commercial Law, Contract Law and Family Law.**

**Apart from teaching, he has been actively engaged in writing his book 'Constitutional Law of India'. The book is at press, co-authored with re-known author Dr. Avtar Singh, he has been evaluator (Papers, Dissertations and Viva-voice) and paper setter at reputed Institutions such as Rani Durgawati University, Ravishankar Shukla University, Kalinga University.**

- 6) **Dr Smita Sahu , Assistant Professor, Registered Indian Patent Attorney IN/PA 2601, Amity Science Technology & Innovation Foundation (ASTIF)/ Amity Directorate of Science & Innovation (ADSI)/ Amity Institute of Biotechnology (AIB), Amity University, NOIDA, UP**

## **Topic Five: Capturing Innovations in University Set Ups- Best Practices**

**A Certified IP Trainer by the Japan Patent Office, Selected from India for the multi country Japan Patent Office/IPR Trainers course for IP Trainers at Tokyo, Japan. (June 18- July 3, 2018),**

**A Registered Indian Patent Attorney, IN/PA- 2601, Qualified CSIR-NET-JRF & LS in Life Sciences, Ph.D. in Parasitology, LL.B.(Specialization in IP) ,Post Graduate Diploma in Intellectual Property Rights (PGDIPR) from IGNOU, Certification course on IPR by World Intellectual Property Organization (WIPO), Post Graduate Certification Program in Patent Practice (PGCPP) from IGNOU, M.Sc. (Gold Medalist, 1<sup>st</sup> position in the merit list of University).**

**Running a DST funded Research Project as a Principal Investigator entitled, ‘Affordable medical devices and equipments - Priority medical technology needs in India’,**

**Selected/Identified as a resource person under the scheme of Pan India IPR Awareness Programme in Universities, Academies / & R&D Institutes, an Initiative of NRDC & IPO.**

**4 Copyrights Registered, 13 Research papers in reputed journals, 2 Books authored, Invited Guest Faculty/resource person for FISME (Federation of Indian Micro and Small & Medium Enterprises), IIT Delhi, Central University and other Academic Institutions on IPR Promotion & Awareness.**

**Associated with Amity Science Technology & Innovation Foundation (ASTIF) and looking after Amity Patent prosecution and Management and Copyright Filings and a Faculty for IPR in UG/PG Classes, Supervising 2 Ph.D. scholars.**

**Coordinating major Activities being undertaken by the NRDC-Amity Innovation Facilitation Centre, on conduction of various Seminars/workshops on IPR Awareness under the aegis of Amity-NRDC IFC in different Amity Campuses for the Awareness, Augmentation and protection of IP Assets.**

**Dr Smita Sahu discussed in the session on the new perspectives/methods in building capabilities among each institution’s IP stakeholders that is effective, sustainable and encourages adopting the best practices of IP being offered and aims to enhance one’s knowledge and deepen one’s understanding required to efficiently and effectively disseminate intellectual property information. She gave an overview on our country’s emerging IP Policies, mandates, major highlights of National IPR Policy, make in India, start up India policies, IPR facilitations to the startup and small entity, Patent filing procedure, domestic filings, marginal contribution of University towards patent filings, which is improving rapidly and holds a great potential; the Initiatives like ‘Make in India’ are attracting inward investment, manufacturing and entrepreneurship, and ensures on creating cutting edge technologies to play a decisive role in the dissemination and societal use of the product development, and to promote an inclusive sustainable innovation ecosystem.**

**Reaffirmed on the strength of Amity University in terms of IP Portfolio, patents filed, technologies transferred and emphasized on our Founder Sir’s Mission Patent, discussed on the strategies to contribute substantially towards achieving the same, so that our University may successfully lead towards establishing a progressive Amity IP landscape.**

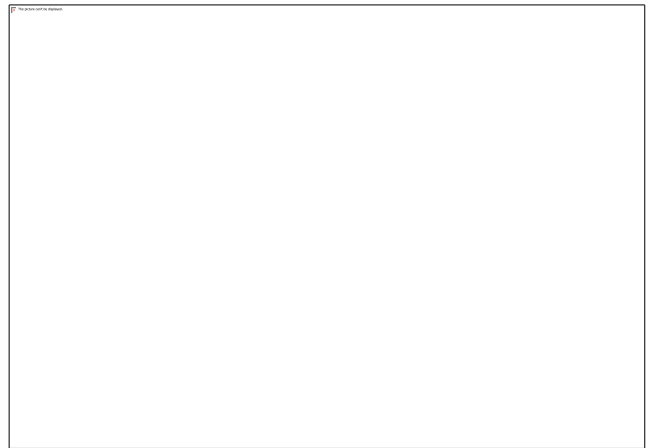

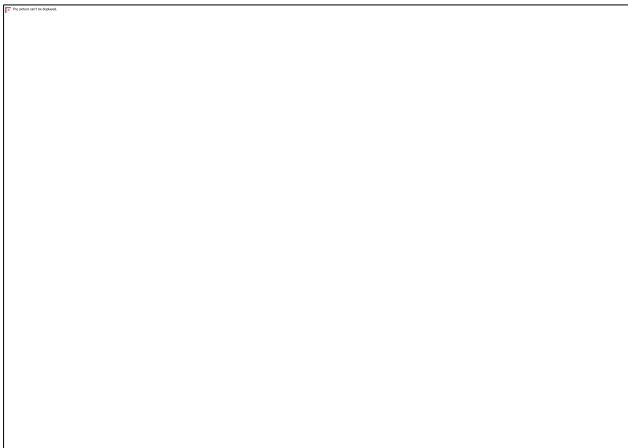

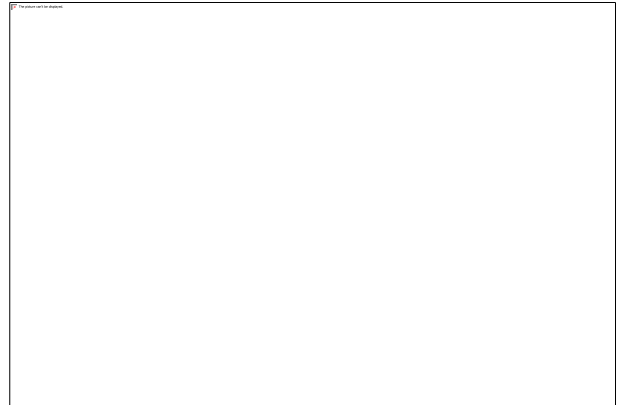

**The speakers emphasized on the significance and types of innovations and IPR, role in new product development, importance of IPR with reference to patent laws and best practices of capturing innovation in a university set-up.**

## Amity University to organize workshop

On Innovation and IPR  
Eminent scientists and scholars to take part

Central Chronicle News

Raipur, Sep 26: A day-long workshop will be organized at Amity University Chhattisgarh on Thursday September 27, 2018 to familiarize faculty and students about importance of Innovation and Intellectual Property Rights (IPR) in various fields. The workshop also aims to sensitize them on understanding the key aspects of IPR, protecting one's idea, inventions, trademarks, and innovation as well as managing patents and other IP wealth.

The workshop will be attended by eminent scientists and erudite scholars who will shed light on relevant subjects, best prac-

tices and patent laws. The key speakers would include Amity University Chhattisgarh's Chancellor Dr. W. Selvamurthy, Director NRDC-Amity IPC Prof. (Dr.) Shivamalethu Niyogi, and NRDC Chairman and Managing Director Dr. H. Parushotham.

The welcome note and vote of thanks will be delivered, respectively, by Deputy Pro Vice-Chancellor Dr. Vik. Singh Dahima and Registrar Prof. (Dr.) S.C. Mukhopadhyay, Amity

University Chhattisgarh. The Chief Guest of the workshop will be Dr. Pradeep Kumar Sinha, Vice Chancellor and Director IIT Naya Raipur. They will also be a special message from Gaurishankar Agrawal, Speaker, Chhattisgarh Legislative Assembly.

Being developed as a Smart City, Raipur has a huge potential for innovations and IPR activities. "This workshop will boost creation of ideas as well as promote innovation in all areas of life," said

Chancellor Dr. Selvamurthy. It is a matter of great pride that Amity University Chhattisgarh is a pioneer in conducting workshops on innovations and patents in Raipur, he added.

Dr. Selvamurthy will address and mentor the participants on this occasion. The workshop is being conducted under the aegis of Amity University Chhattisgarh and NRDC (National Research Development Corporation) - Amity Innovation Facilitation Centre.

## Innovation and IPR workshop concluded at Amity University

Noted scientists, scholars and bureaucrats participated

Raipur, Sep 27:

A one-day workshop on Innovation and IPR was organized at Amity University Chhattisgarh and witnessed sharing of cutting-edge knowledge by expert.

The workshop aimed at sensitizing faculty and students on understanding key aspects of IPR, protecting one's ideas, trademarks, and emphasized importance of innovation and its ever-increasing role in our lives. The workshop had presence of many dignitaries, including bureaucrats, scientists, scholars and academicians.

Head of Campus, Amity University Chhattisgarh, Prof.(Dr.) Vik. Singh Dahima in his welcome ad-

dress underscored the fundamental role of Innovation and IPR in nation building, after conveying his greetings to the guests and speakers for their presence.

Wanting to research driven culture of Amity, he added that Amity is the first largest private organization to have maximum numbers of filed patents in its name.

Dr. Shivamalethu Niyogi, Director NRDC-Amity IPC, introduced Innovation Facilitation Centre and its purpose to faculty and students. Dr Niyogi then read out the

message from Chief Guest Dr. H. Parushotham, Chairman and Managing Director of National Research Development Corporation (NRDC), who could not present at the workshop owing to logistical delay.

The Guest of Honour, IAS Mr. Alok Awasthi, in his address, said that innovations are truly useful when they are able to improve the life quality of farmers and other primary producers, especially in Chhattisgarh which is a farmer dominated state. While referring to benefits from Geographical

Indications accorded to the state for its products, the IAS officer expressed satisfaction over state's actions and artisans receiving better prices for their products.

The Chancellor of Amity Univ Chhattisgarh Dr. W. Selvamurthy said that the students are the future of our country and are going to set a better world order, filled with peace and prosperity. Raipur is a leading city and has shown remarkable development in a variety of spheres, he added in regard to prospects of innovations in Chhattisgarh. A great success.

Guest of Honour, Dr. Pradeep Kumar Sinha, Vice-Chancellor, IIT And Nagpur shared his rich experience with faculty and students.

The workshop comprised a series of technical sessions from noted scientists and scholars as speakers. The speakers spoke on types and importance of Intellectual and IPR, their role in new product developments, their importance with reference to Patent Law, and Best practices of capturing innovation in a university set-up. The workshop concluded with Vote of Thanks from Registrar, AU, Dr. S.C. Mukhopadhyay.

Conducted under the aegis of Amity University Chhattisgarh and NRDC (National Research Development Corporation) Amity Innovation Facilitation Centre, the first-of-its-kind workshop in Chhattisgarh was a great success.

# वैज्ञानिकों ने जैविक कीटनाशक के फायदे बताए

**एमिटी विवि में तीन दिवसीय अंतरराष्ट्रीय संगोष्ठी बायोसिकॉन का आयोजन**

■ नवभारत रिपोर्टर। रायपुर.

एमिटी विश्वविद्यालय में तीन दिवसीय अंतरराष्ट्रीय संगोष्ठी बायोसिकॉन का शुभारम्भ एमिटी विश्वविद्यालय कैम्पस में सेंट जेवियर कॉलेज तमिलनाडु के सहयोग से दिनांक 6 मार्च से 8 मार्च तक एक अंतरराष्ट्रीय संगोष्ठी का आयोजन किया जा रहा है. इस संगोष्ठी का मुख्य विषय 'जैविक कीटनाशक' है. यह संगोष्ठी छत्तीसगढ़ विज्ञान एवं प्रौद्योगिकी परिषद् द्वारा प्रायोजित है. बुधवार को संगोष्ठी का उद्घाटन डॉ. डब्ल्यू सेल्वामूर्ति कुलाधिपति एमिटी विश्वविद्यालय छत्तीसगढ़ की गरिमामयी उपस्थिति एवं प्रो. डॉ. एसके पाटिल, कुलपति इंदिरा गांधी कृषि विश्वविद्यालय छत्तीसगढ़ के मुख्य आतिथ्य में किया गया. इस अवसर पर प्रो. डॉ. राजेंद्र कुमार पांडेय कुलपति, एमिटी विश्वविद्यालय छत्तीसगढ़, प्रो. डॉ. विजय कुमार सिंह दाहिमा उपकुलपति, प्रो. डॉ. एससी मुखोपाध्याय कुलसचिव एवं एमिटी विश्वविद्यालय छत्तीसगढ़ के अन्य वरिष्ठ अधिकारी व अन्य प्राध्यापक सदस्य उपस्थित थे. संगोष्ठी के संयोजक डॉ. रवि कान्त सिंह, फादर वी ब्रिटो एवं सचिव डॉ. पीयूष पारखे व डॉ. के सहायराज हैं.

### नवीनतम शोध और प्रगति पर विचार किए साझा

इस अंतरराष्ट्रीय संगोष्ठी में 20 से अधिक अंतरराष्ट्रीय एवं 200 भारतीय शोधकर्ताओं द्वारा जैविक कीटनाशकों पर चल रहे नवीनतम शोध और प्रगति पर अपने विचार साझा किया जा रहा है. इस संगोष्ठी का मुख्य लक्ष्य मानव स्वास्थ्य एवं वैश्विक कृषि प्रथाओं के बीच एक संतुलन तलाशना है. चूंकि छत्तीसगढ़ मुख्यतः कृषि प्रधान राज्य है, यह संगोष्ठी जैविक कीटनाशक विषय और उससे सम्बंधित प्रौद्योगिकी क्षेत्र में हुए नवीनतम शोध को सीखने, समीक्षा करने एवं लागू करने का सुअवसर प्रदान करेगी. इस तेजी से बदलते वैश्विक वातावरण में किस तरह जैविक कीटनाशक खाद्य सुरक्षा और मानव स्वास्थ्य को सुदृढ़ता प्रदान कर सकते हैं, इनसे जुड़ी क्या चुनौतियां हैं? आदि विषयों पर भी यह हमारे किस्सा भाइयों, कृषि आधारित उद्योगों और शोधकर्ताओं को अवगत कराएगी. इसके अतिरिक्त, यह संगोष्ठी विश्व के अन्य वैज्ञानिकों से संपर्क बनाने का भी एक अवसर प्रदान करेगी.

### किसानों के लिए विशेष अधिवेशन

इस संगोष्ठी में किसानों लिए भी एक विशेष अधिवेशन दिनांक 8 मार्च को रखा गया है, जिसमें ग्रामीण क्षेत्रों

से किसानों को आमंत्रित किया गया है. इस अधिवेशन में भाग लेने से किसान भाई जैविक कीटनाशकों से सम्बंधित उन्नत तकनीक, फायदे, उनके उपयोग एवं अन्य चुनौतियों से अवगत हो सकेगी. इस संगोष्ठी का

लक्ष्य सिर्फ वैज्ञानिक ही नहीं परन्तु सामाजिक परिणामों को प्राप्त करना भी है. संगोष्ठी में प्रस्तुत शोध पत्रों को अंतरराष्ट्रीय स्तर के उच्चतम शोध ग्रंथों में प्रकाशित करने की भी योजना है.

## SANCTION LETTER

Date 10/06/2020

File Number: ABPL/20-21/june/127-A

Dear Dr. Sushma Chauhan & team,

We are pleased to inform you that the research project entitled "Designing and fabrication of facile molecular systems for synthesizing stable bioactive peptides/proteins with pharmaceutical significance derived from green algae and marine biota" submitted to Algallio Biotech Private Ltd is considered for the funding. The brief details of the accepted project are as follows:

**Project Title:** Designing and fabrication of facile molecular systems for synthesizing stable bioactive peptides/proteins with pharmaceutical significance derived from green algae and marine biota

**Project Investigators:**

Principle investigator: Dr. Sushma Chauhan

Co-Principle investigator: Dr. Sudheer Pamidimarri

Host Institute Details: Amity Institute of Biotechnology (AIB), Amity University Chhattisgarh (AUC), Raipur

**Objective of the Project:**

- i. Engineering the *intein* elements/enzyme based *in vitro* cyclization system for peptide cyclization to be developed using model protein EGFP (Enhanced Green Fluorescent Protein).
- ii. Designing and development of a suitable tag system for the selective detection and purification of the cyclic peptides expressed *in vivo*.
- iii. Validate and establishment of the expression and cyclization protocols with above developed system with selected cyclic peptide.
- iv. Generalization of the developed system for suitable application of various types reported bioactive peptides like i) Defensins-animal origin, ii) Cyclotides-plant origin, and iii) Bacteriocins-microbial origin.
- v. Characterization and comparison of the cyclic peptides for their efficacy, with naturally isolated molecules from green algae and marine biota (identified *via* various genome sequence annotation tools).

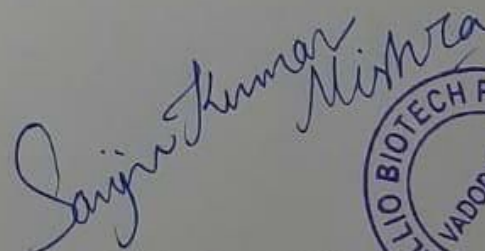

**Time scale:**

The project is for the 3 years [start date: First day of the following month from the date of funds received]. The probable fund transfer will be on last quarter of this financial year.

**Funds details:**

Total funds of ₹ 3,60,000, will be released under this project as per the budgetary submitted along with the project proposal.

We look forward the long-lasting relation with Amity University Chhattisgarh, Raipur.

## **International Day of Yoga 2021 Celebration**

**21<sup>st</sup> June 2021 (First Day)**

Coordinated by

**Amity School of Languages**

Amity University Chhattisgarh celebrated **International Day of Yoga** on 21st and 22nd June 2021 sponsored by Indian Council of Philosophical Research (ICPR), New Delhi on Virtual Mode. The objective of this event was to understand the ancient Indian wisdom of Yoga and its potentials; to engage with an understanding of the philosophy, application, and practices of Yoga with respect to modern sciences like Neuroscience, Physiology and Psychology; to enable the student to have good physical and mental health; to possess emotional stability and to integrate moral values.

Prof. Rajendra Kumar Pandey, Hon'ble Vice Chancellor, Amity University Chhattisgarh delivered the welcome address focusing on the Vedantic Philosophy and the convergence of Quantum Physics with Metaphysics referring applications of Yoga. Dr. W. Selvamurthy, President of Amity Science, Technology & Innovation Foundation (ASTIF), Director General of Amity Directorate of Science & Innovation, Hon'ble Chancellor, Amity University Chhattisgarh and Former Distinguished Scientist and Chief Controller R&D(LS), DRDO, emphasized that Yoga is essentially a spiritual discipline based on an extremely subtle science, which focuses on bringing harmony between mind and body. It is an art and science of healthy living. It helps to unite thought and action and self and Universal Self.

To begin with, Dr Sisir Roy, Visiting Professor and Senior Homi Bhabha Fellow at National Institute of Advanced Studies, IISC, Bengaluru, and Former Professor at Indian Statistical Institute, Kolkata spoke on 'Yoga Philosophy, States of Meditation and Modern Neuroscience' focusing on the States of Meditation and Yoga Philosophy of Patanjali and Kamalsila (Buddhist), Noise and Coherence in Meditation and the traditional Wisdom '*Samadhi*'.

Bestowing the blessings, Srimat Swami Divyagunanandaji Maharaj, Principal of Ramakrishna Mission Shikshanamandira, Belur Math, West Bengal, illustrated the essence of 'Yoga' with reference to ancient Indian tradition and how Yoga impacts the consciousness. In his insightful discourse on 'Glancing Indian Psychology through Yoga', focusing on the *Ashtang Yoga*, he emphasized that the aim of Yoga is Self-realization, to overcome all kinds of sufferings leading to 'the state of liberation' (*Moksha*) or 'freedom' (*Kaivalya*).

The final speaker for the inaugural session, Dr P N Ravindra, Associate Professor in the Department of Neurophysiology, Centre for Consciousness Studies, National Institute of Mental Health and Neurosciences (NIMHANS), Bengaluru spoke about 'Self-Regulation and Yoga in Neuroscience Perspective'. He discoursed on the Meditation, Cognitive Function and Rhythm of the Brain focusing on Yoga Philosophy and New Challenges to Modern Neuroscience. The concluding remarks were offered by Dr Indrani Singh Rai, Head, Amity School of Languages and the coordinator of the inaugural session and the session was moderated by Dr. Vagisha Mishra and Mr. Diptarup Ghosh Dastidar.

Dear Sir / Madam,

Indian Council of Philosophical Research is thankful to you for your application for its Grant for the 7th International Day of Yoga-2021.

Keeping in the view that Int. Day of Yoga is an outreach programme, the maximum number of applications are selected. However, due to the Covid-19 pandemic situation, the only webinar is permissible with a low budget. Accordingly, Rs.17,000/- is granted to you for conducting 4/more than 4 lectures/events through webinars online as it will be fit to the budget. Excess expenditure than the grant amount will not be paid by ICPR, the same may be taken care of by the organizing institution. Release of the grant is subject to fulfilling the required documents. NGOs, Trusts, Samitis, and similar organizations should provide the Registration Certificate, and if required Audit Report of the organization for release of the grant. Filled in Application format is required, it is not filled up / sent properly.

The Programme should be initiated on the International Day of Yoga.

The organizers are requested to follow the terms and conditions as mentioned below. Separate sanction orders will be issued shortly.

**1. Conduct of Programmes:** The sanctioned amount shall be utilized for the purpose for which it has been sanctioned. The Grants will be spent for academic events like Lectures / Series of Lectures programmes Seminars/Colloquia, Round Table Discussion, Discussion groups, Brainstorming Sessions / Quiz Competitions and Practice Competitions between learners/participants and Training programmes – all related to Yoga and its practice in the line, spirit, and objectives of the International Day of Yoga. The segments of the programmes may be conducted on the same day or extended with multiple programmes at a stretch or different days/times with breaks in between. Part of the programmes/ events must be started on the yoga day online and other parts must be conducted within Three Months of the issue of this Sanction Order. It is stressed that all programs preferably are conducted online, and offline programs should be avoided.

**2.** The organizing departments should invite the staff and students of the departments of philosophy of nearby Universities/Colleges and common people who are interested in Philosophy for the International Day of Yoga and related programmes. The events may be conducted in the form of Webinar / Online and no offline event be allowed keeping the Corona Pandemic Guidelines and such restrictions. The organizer may send the soft-copy of Banner, Programmes, and the Links, to seminar.icpr@gmail.com, at least one week before the programme, which may be published in an appropriate social media and groups for wider circulation and participation.

**3. Expenditure Control:** The payee shall exercise a reasonable economy in spending the sanctioned amount. Regular accounts shall be maintained in respect of expenditure of the sanctioned amount. Excess amounts other than the already grant will not be paid from ICPR, and the same may be taken care of by the Organizer / Organizing institution (though all expenditures will be reflected in the report).

**4.** Rs. 2500/- will be the single-time honorarium for the (single) organizer. and for each of the resource persons delivering lecture/training/conducting a segment of the programme. The same resource person may not be paid for more than one lecture/conducting programme/ training. A receipt of such payment or a copy of account transfer to the resource persons should be collected as proof. The payments by account transfer should be made from the accounts of the grantee institution to the payee and not from the personal bank account of the organizer. There is no provision for payment to participants/audiences/ target groups. Minimum expenses may be made for services only, like creating/managing and supporting the online programme and broadcasting, as appropriate, Expenses may also be made for banner/background design, in soft copy, and certificates, in soft or hard copy, for the participants for any training programme. No expenses should be made for any establishment purchases from the ICPR Grant.

**5. Documentation:** Screenshot of the Attendance or lectures or short video of online programmes may be collected as proof of the Programmes and attendance. Transcript/summary of the lectures with details of the programme along with the brief academic report with photographs/screenshots should be prepared in soft copy. Expenditures, as incurred, should be documented along with collecting the receipts/account transfer proofs.

**6. Submission:** Immediately after the programmes in all their segments are over, the payee shall furnish the Soft copy of programme Report, the script of the lectures/training, etc., along with 2-3 photos (keeping all of them in one file in MS Word Format) to <https://forms.gle/QjPVbi3S73Y7EXGY7> and the email [seminar.icpr@gmail.com](mailto:seminar.icpr@gmail.com). The reports and expenditure details as per the approved budget should be submitted within 30 days from completion with original vouchers, bills, etc., duly approved/checked/countersigned by the Principal/Registrar/Accounts Officer/Finance Officer, of the organizing institute/college/university, as applicable. Unspent amount, if any, should be refunded in the form of Banker's Cheque/ D.D., in favor of ICPR, New Delhi. Failure to submit the report and refund money (advance or unspent) within 30 days of cancellation or completion of the programme may lead to blacklisting of organizer and institute/college/university and further remedial measures may be taken for recovery of grant with penal interest.

7. ICPR has the right to make any alteration/addition regarding the sanction if required.

With regards,

—

**Minutes of the 7<sup>th</sup> Meeting of Project Monitoring & Advisory Committee (PMAC) for Implementation of Scheme "Entrepreneurial and Managerial Development of MSMEs through Incubators" Under CLCS-TUS.**

In Chair : Additional Secretary & Development Commissioner (MSME)  
Date : 25.03.2020  
Venue : Nirman Bhawan, New Delhi (through Video Conferencing)

List of participants is annexed at **Annexure -I**

Sh. Ateesh Kumar Singh, Joint Secretary (AFI), M/o MSME and Vice Chairman of the Committee welcomed AS& DC (MSME) who is the Chairman and other members of the committee. Then, he briefed about the scheme and the details of the applications received in My MSME portal from the institutions for approval as Host Institutes under the scheme so that they are eligible to upload the ideas whenever the portal is opened for the same in future. 195 no. of applications received from institutions which were taken up for consideration and approval.

Thereafter, Sh. Vinamra Mishra, Director (T&P) and Member Secretary explained point wise agenda items for the discussion during the meeting.

Sh D. K Singh, AS&DC (MSME)/Chairman, expressed in his initial remarks that during next financial year Regional Committees headed by IITs / IIMs may be formed at the regional level to scrutinize the ideas received from the Host institutes and submit the shortlisted ideas to the PMAC for final approval. It would help in faster short listing of the ideas.

Agenda Item No. 1

## Statement of Work

For Amity University

### 1. INTRODUCTION

This SOW outlines a primary research engagement to conduct 480 surveys with Students across specific colleges/universities in India.

### 2. SPECIFICATIONS

<b>Total sample</b>	480
<b>Target profiles</b>	40 PhD Students 300 Tech Students 140 MBA Students The list of Colleges/Universities are in the questionnaire
<b>Survey length</b>	10-15 minutes

### 3. APPROACH:

- Radma Research will share the programmed survey on ConfirmIT platform and will share unique links
- Amity University to set-up a team which will be working on this project
- Radma will conduct a detailed briefing and training session with Amity team
- Amity team will start contacting the target profiles (students) through various social media platforms, referrals, snow balling etc and then send each student a survey link to self-administer
- None of the respondents will be incentivised in any way or form of gift or money

#### 4. PROJECT EXECUTION:

- A formal KO call will be conducted amongst both Radma and Amity teams for detailed project briefing and overview
- A dedicated Project Manager should be assigned for communication and project management from both Radma and Amity
- We will first start with MBA Student surveys (140n) followed by Tech and PhD student surveys within span of 2-3 weeks
- An interim data checks will be done by Radma to see the quality and will provide feedback to Amity on regular basis
- A weekly check-in call will be set-up between Radma and Amity PMs to review the progress
- At the end of project, a detailed de-briefing call will be held
- The survey will be considered complete if it has passed all quality checks and data is accepted by Radma and it's client

#### 5. TIMELINES

Activity	Timelines
MBA Student surveys (140n)	2 weeks from start date
Tech Student surveys (300n)	3 weeks from start date
PHD Student surveys (40n)	1.5 weeks from start date

#### 6. PROJECT COST

Particulars	N	CPI (INR)	Total cost (INR)
Total N	480	250	1,20,000

The final cost will be based on actual surveys (N) completed

*The above cost is excluding 18% GST*

#### 7. PAYMENT TERMS

100% invoice to be raised by Amity University on project closure with 30 days of credit period.

#### 8. NOTES

The commercial engagement will be one off sponsorship; in effect Radma Research would be the exclusive sponsor of this research study and will have copyright of all data and output generated through the survey

## 9. ACCEPTANCE OF DATA

Acceptance of Delivery - After submission of final work / documents, we will wait for any corrections/updation/review from client's end, for the next 10 working days. Radma Research must give acceptance of delivery in those 10 (Ten) working days. If no such corrections / reviews are communicated in the said period, it is assumed that the work is to the satisfaction and complete. Hence it will be treated as acceptance of delivery for invoicing purpose.

## 10. TERMINATION

Either parties may terminate the contract at any time by written notice to the other party if: (a) the other party commits any material breach of its obligations under this contract and in the case of breach capable of remedy, fail to remedy that breach within 30 days of receipt of written notice specifying such breach and requiring it to be remedied: and (b) if the other party suffers an event of insolvency.

An "Event of Insolvency" for these purposes means that in relation to a party: (a) a liquidator, provisional liquidator, receiver, administrative receiver, administrator or similar officer is appointed over any of the assets or business of that party; (b) that party enters into a scheme of arrangement or composition with or for the benefit of its creditors generally; (c) any reorganization, moratorium or other administration with or for the benefit of that party's creditors generally or any class of its creditors; (d) that party adopts a resolution or proposes to adopt a resolution to wind itself up or becomes unable to pay its debts as and when they fall due or deemed to become unable to pay its debts as and when they fall due or (e) any similar or analogous event happens under the national state or local laws of any other country.
