## Message from the Sr. Vice President, AEG

As we reflect on the achievements and progress of Amity University Jharkhand in the year 2023-24, we reaffirm our commitment to our core values and the relentless pursuit of excellence. At the heart of our institution are our cherished students, who we consider the gems of Amity. We remain dedicated to providing them with unparalleled growth opportunities and the platform to realize their fullest potential.

We believe that leadership and learning are intrinsically linked, and it is through education and mentorship that future leaders are nurtured. In the dynamic landscape of the twenty-first century, it is imperative that we equip our students with the knowledge, skills, and values required to excel in every facet of life.

As we move forward, we remain steadfast in our commitment to providing a superlative academic environment that fosters innovation, critical thinking, and holistic development. Our goal is to continue nurturing the potential within every member of the Amity family, ensuring that they are well-prepared to face the challenges and opportunities of the future.

**Mr. U. Ramachandran**

Sr. Vice President, Amity Education Group

## Message from the Vice Chancellor, AUJ

This year has been a testament to our collective resilience and dedication to academic excellence. Our university community has always displayed remarkable strength, adaptability, and unwavering commitment to learning and growth.

In the past year, we have achieved significant milestones in academics, research, and student engagement. Our faculty members have continued to inspire through innovative teaching methodologies and impactful research initiatives. Our students have showcased exceptional talent and leadership qualities in various fields, both within and outside the campus.

Amity University Jharkhand has remained steadfast in its mission to provide a nurturing environment for holistic education, fostering intellectual curiosity, creativity, and ethical leadership among our students. Our collaborative efforts have resulted in the establishment of a vibrant academic community where knowledge knows no boundaries.

As we move forward, let us reaffirm our commitment to excellence, innovation, and inclusivity. I extend my gratitude to every member of the Amity family for their dedication and hard work. Together, we will continue to shape a future where education empowers individuals and transforms lives.

**Prof. (Dr.) Ashok K. Srivastava**

Vice Chancellor, Amity University Jharkhand

## Message from the Vice President, AEG

Amity University Jharkhand stands as a beacon of educational excellence in our city. It is not merely an institution for conferring degrees but a symbol of our unwavering commitment to provide the students of Jharkhand with a world-class education delivered through the most advanced and contemporary pedagogical methods.

Over the past seven years, Amity University Jharkhand has witnessed remarkable growth and transformation. We take pride in offering a unique educational experience, one that is tailor-made to cater to the diverse academic and professional aspirations of each student. Our approach is designed to nurture the holistic development of their personalities.

At the heart of our mission is the belief that fostering positive thinking is essential for a brighter and more promising tomorrow. We endeavor to instill this mindset within our students, equipping them with the skills and mindset required to tackle the challenges and opportunities that lie ahead.

As we continue to evolve and expand, our commitment to providing the highest quality education remains unwavering. Amity University Jharkhand is not just a place of learning; it's a nurturing ground for the leaders, innovators, and thinkers of the future.

**Mr. Gauravh Gupta**

Vice President, Amity Education Group

## 15. Mentees- Mentors Mentee: Meetings (July 2023- June 24)

The Mentor Mentee System has been at the core of academic functioning of Amity University Jharkhand since its inception.

The Mentor Mentee Policy has been implemented with the following purpose & philosophy:

1. **Provides Guidance and Support:** The mentor-mentee policy provides guidance and support to students in both academic and personal matters. Mentors can help students navigate through their academic journey and offer valuable insights on career planning, goal-setting, and other life skills.
2. **Improves Academic Performance:** The mentor-mentee policy can improve the academic performance of students by providing them with regular feedback, identifying areas for improvement, and developing strategies to overcome challenges.
3. **Enhances Employability:** Mentors can help students develop employability skills and provide guidance on job search strategies, interview techniques, and other essential skills that can enhance their employability.
4. **Builds Positive Relationships:** The mentor-mentee policy can help build positive relationships between mentors and mentees, fostering a sense of belonging and community. It also provides students with access to role models and mentors who can inspire them to achieve their goals.
5. **Reduces Drop-out Rates:** The mentor-mentee policy can help reduce drop-out rates by providing students with the necessary support to overcome academic and personal challenges.
6. **Facilitates Personal Development:** The mentor-mentee policy can help students develop their personal and interpersonal skills, including communication, teamwork, leadership, and self-confidence.
7. **Enhances Institutional Reputation:** A well-implemented mentor-mentee policy can enhance the reputation of the institution by demonstrating its commitment to providing students with a supportive learning environment that promotes academic success and personal growth.

## 16. Parents-Teachers Meetings (July 2023- June 24)

The Parents Feedback Assessment is a unique objective evaluation done by each Parent/Guardian at Amity University Jharkhand. The overall feedback system has been well-crafted and provides for a holistic assessment and improvement for the students of Amity University Jharkhand. The evaluation parameters are metrics based and provide for a comprehensive appraisal on five aspects namely Personality Development, Self-Studies, Communication Skills, University Academics and University Activities.

- a. **Personality Development:** A Positive Personality is an essential pre-requisite for becoming successful in the modern world. The feedback parameter of Personality Development looks at the overall positive transformation in a student. A fair assessment on the Personality Development traits helps both the Parents and Students to become self-aware and offers a sense of direction that calls for an upgrading and working on the areas that need improvement.
- b. **Self-Studies:** Self-Studies are another feedback parameter on which each Parents/Guardians evaluate their ward for the improvement in their learning inclination. Amity University Jharkhand takes upon the onus to nurture the attitudes towards learning and helps each student to seek knowledge through their individual efforts as well. This aspect becomes essentially important in an information and technologically driven world.
- c. **Communication Skills:** Equipping the students with the art of good communication skills has long been emphasized as one of the hallmarks of quality education. At Amity University Jharkhand, a lot of importance is placed on ensuring that the students are well groomed on the communication aspects. The ability to freely and appropriately express their thoughts is inculcated through individualized nurturing.

- d. **Teaching Modalities:** The University Academics parameter represents the quality and contemporariness of the curriculum, teaching and overall academic delivery. To adequately address the classroom needs of the young millennials, Amity University Jharkhand ensures that a new age curriculum is put in place for every semester. Besides this, the pedagogy is rooted in learning and fun activities that is delivered using all the latest technological tools.
- e. **University Activities:** The University Activities parameter characterizes the non-academic and extra-curricular orientation that is provided to the students through various cultural, sports and other club activities that are regularly undertaken. This parameter encapsulates the efforts of Amity University Jharkhand in providing for an equally engaging and growth-oriented platform to hone the all-round development of the students.

### **EXPERT TALK**

Expert talk on Process of Innovation Development, Technology Readiness Level (TRL); Commercialization of Lab Technologies & Tech-Transfer.

Amity School of Engineering and Technology, Amity University Jharkhand, Under the mandate of Institution's Innovation Council has organized an Expert talk on Process of Innovation Development, Technology Readiness Level (TRL); Commercialization of Lab Technologies & Tech-Transfer.

Innovation is an essential driver of economic progress that benefits consumers, businesses and the economy as a whole. One of the major benefits of innovation is its contribution to economic growth. Simply put, innovation can lead to higher productivity, meaning that the same input generates a greater output. As productivity rises, more goods and services are produced – in other words, the economy grows.

On the other hand, innovation can also be commercialised through Technology transfer. Technology transfer serves to join research with real world products that can provide benefits for society, solutions to problems and, at the same time, generating profit that can be used to fund further research and development.

## EXTENSION ACTIVITY

### A Visit to “Deepshikha” school for specially abled children, pre celebrating Down’s Syndrome Day

The creative experience can help specially abled children to express their experiences and emotions through communicative avenues other than verbal. This can help develop self-confidence, communication skills and a sense of identity while helping them to cope with their feelings. With this notion, the event was organized. Along with small offerings and paper-colors we reached ‘Deepshikha’- A day school for specially abled children. It was a thrilling experience to witness them so excited and joyous. Around 50 children were present on the day we visited, i.e. on 15.03.24. Few of the children scribbled (most affected ones), others drew on the theme of Holi. Really! A bright day it was to experience the joy of sharing joy.
